

Science

Animals Including Humans

Aim

- I can draw my body and label my body parts.

Success Criteria

- I can draw my body.
- I can name parts of my body.
- I can label a drawing of my body with the names of my body parts.

The Body Song

Sing this song to the tune of 'Old MacDonald Had a Farm'.

I've got a body,
A very busy body,
And it goes everywhere with me.
And on that body I've got a nose
And it goes everywhere with me.
And I sniff sniff here, sniff sniff there,
here a sniff, there a sniff, everywhere a sniff sniff!
I've got a body, a very busy body
And it goes everywhere with me.

What other verses can you think of?

Parts of the Body

Today we are going to see what we know about the human body.

Parts of the Body

Who knows the names for the parts of their body?

Parts of the Body

Your Body

You are going to
draw a picture of
your body.

What parts will
you include?

Your Body

Can you think of any more parts of your body?

Drawing Your Body

You will need:

pencil

pencil crayons

paper

- Draw a large picture of your body. Fill up the page.
- Make sure you include all the important body parts we have been talking about.
- Label the parts of your body by writing or sticking the name of the body part next to the right place on your drawing.

Move Your Muscles

1

Get into groups of 3 or 4.

2

One of you will be the 'body bingo board' and lie down on the floor.

3

The rest of the group choose 6 parts of the body to stick notes on.

4

I will call out body parts. If your group has a sticky note on that body part you can take it off.

5

Bingo!

The first group to take all of the sticky notes can shout 'body bingo'!

Aim

- I can draw my body and label my body parts.

Success Criteria

- I can draw my body.
- I can name parts of my body.
- I can label a drawing of my body with the names of my body parts.
