

Investigating Places In My Local Area

- Pick a place in your local area and answer the following questions.
- You may choose a natural area (beach, forest or river) or a man-made area (shopping centre, playground or church).

Name of place: _____

Where is this place? (E.g. in your town, in the countryside, around the corner from your house?)

Is this place natural, man-made or both?

Can you describe this place? (What does it look like? What things are there?)

List the natural features in this place. (E.g. water, plants, animals, land.)

List the man-made features in this place. (E.g. buildings, roads, structures.)
