Dear Great Aunt Liz,

I hope you are well? I am writing a letter to you today to tell you about the aliens that have landed near our house.

When I first found out about them I felt really because I didn't know if they were nasty or not. My friend Tom and I went to explore and found that there are 4 of them and are friendly. I felt a bitbecause I have read in books that they are meant to be nasty!

Tom and I actually spoke to one of the aliens, I was verybecause they can speak English! The alien told us a joke and made us laugh.
