Radio news reporter script:

Good Afternoon London. I am reporting today about the aliens that have landed on Earth. I cannot believe I am saying this but PLEASE BE CAREFUL AND TRY TO STAY CALM!!!

The first alien space craft landed 3 days ago and since then another 2 have arrived. The whole of the Britain is panicking about these unwanted visitors. Yesterday, Captain Tom Brown from the British Army has told me that the army are doing all that they can to ensure the safety of the British people. However, last night over 200 people are reported dead and the aliens are on the rampage!!!! The King is now asking people to stay safe and to remember these beasts are unstoppable. This is Terry Black reporting for London radio.

Task – radio reporting.

I would like you to read the script provided.

Practice this a couple of times before recording your voice. Use an I-pad and save the recording.

You are a reporter!
Remember that they didn't have televisions back then, radio was the next best option.
