

# Science

## Animals Including Humans

[illegible]

# Aim

- I know which parts of my body I use to see, hear, taste, smell and feel.

# Success Criteria

- I can name the senses.
- I know what my senses do.
- I know which body parts I use for each sense.
- I can name things I do with each of my senses.

# The Five Senses

Senses are the things that happen in our body to tell us about the world around us. We have 5 senses. Who can tell me what they are?

# The Five Senses

What are these children doing?

senses

# The Five Senses

What is this girl looking at?

Show me which part of her body she is using.

We call this sense **sight**.

# The Five Senses

What kind of things do you **look** at?

What do you **see**?

On your whiteboard, draw something that you **look** at.

# The Five Senses

What is this girl doing?

Show me which part of her nose she is using.

We call this sense of smell.

# The Five Senses

What kind of things do you **smell**?

On your whiteboard, draw something that you **smell**.

# The Five Senses

What is this **tasting**?

Show me which part of his **tongue** he is using.

We call this sense **taste**.

# The Five Senses

What kind of things do you **taste**?

On your whiteboard, draw something that you **taste**.

# The Five Senses

What is this **hearing**?

Show me what **hearing** she is using.

We call this sense **sound**.

# The Five Senses

What kind of things do you **hear**?

On your whiteboard, draw something that you **listen** to.

# The Five Senses

What is this **feeling**?

Show me which part of his **fingers** he is using.

We call this sense **touch**.

# The Five Senses

What kind of things do you **feel**?

On your whiteboard, draw something that you **touch**.

# Which Sense?

Look at your Sense  
Picture Card.

Which sense does it use?

Can you see the body  
part that it goes with  
somewhere in the room?

**Go to it.....now!**

# Senses Activity

# Using Different Senses

We are able to use  
all 5 senses at the  
same time!

There are lots of  
things we do that use  
more than one sense.

Which senses do we  
use for these  
activities?

# Using Different Senses

In your pairs, think of something else that you do that uses more than one of your senses.

# Aim

- I know which parts of my body I use to see, hear, taste, smell and feel.

# Success Criteria

- I can name the senses.
- I know what my senses do.
- I know which body parts I use for each sense.
- I can name things I do with each of my senses.
