## Outreach Support Menu

September 2019 – July 2020

An Intervention, Advice and Support  
Service for Learners with Learning  
Difficulties and Disabilities (LDD)

As part of the **East Lancashire Inclusion Partnership**, Tor View and its partners in the alliance offer an exciting range of Continuing Professional Development opportunities for staff working in Early Years through to FE and Special School settings.

### **Aims of Service:**

- To meet pupil's needs
- To support local mainstream partner schools in meeting the needs of pupils with LDD
- To provide a network of support links for parents of pupils with LDD

### **Benefits:**

- Local support from within the East Lancashire Inclusion Partnership
- Access to specialist teachers and resources
- Opportunities to see Best Practice in action
- Improved transition for children with learning difficulties
- Cost effective solutions
- Wide range of formal and informal training and support options
- Bespoke support packages
- Relevant, current advice from classroom practitioners

## **Speech & Language Therapy**

Our Speech & Language Therapist is now available to provide Outreach support either as individual pupil support, or as a regular weekly / monthly block booking to enhance the work of existing SALT practitioners within your school, or provide ELKLAN training.

Prices are in line with Individual Pupil Support and SLE rates. Please contact us to discuss this offer in more detail.

Expertise is also offered in the following areas:

- Autism and Autistic Spectrum Condition (ASC)
- Assessment, target setting and progress monitoring
