

## A message from our Head Student

Hello, and welcome to our school website. I am so proud to be writing to tell you about my journey at Tottington High School and why I think this is the perfect school for students to come to. Tottington High School has shaped me in ways I will never forget. It doesn't seem that long ago since I was getting ready for the new stage in life. I was excited, a little nervous and wondering what the next stage of school life would bring me. Looking back at my time here, it has been full of moments I'll never forget, like when me and Mrs Carter won the teacher student race or the time, we all had Christmas dinner and sung Christmas songs, memories like this I'll never forget. Along the way I've learned so much, not just from lessons but from the people around me. This school has taught me the importance of kindness, teamwork and resilience. I have discovered being a leader doesn't mean standing in front, it means listening, helping and encouraging others. I have realised that the memories that you make with your friends are just as important as the grades on your report. To every student who is thinking of joining us here at Tottington, as your move onto the next step, I want you to remember a few things. First, be brave- trying new things might feel a-bit scary but it's how you learn and grow. Second, be kind-the way you treat other will be remembered way after test and homework are forgotten. Finally, enjoy it all because your school years really do go by quicker than you think. Trust me these years will be the best five years that you will remember forever. I hope you enjoy every moment of your journey because one day you could be the ones standing right here inspiring others.

Thank you

Ella
