Dear Neil,

I am writing to offer my warmest congratulations on Tottington High School being named a finalist for the UK Social Mobility Awards in the School/College of the Year category. This is fantastic recognition and thoroughly well-deserved.

This nomination is a testament to the dedication you show in supporting students' personal development, providing them with opportunities to grow and contribute to their community, and inspiring them to feel supported, valued, and confident to aim high and achieve their potential.

I wish you the very best of luck when the winners are announced in October, and I look forward to seeing you again soon. Please know that my team and I are always here to support you should you need any assistance with casework or wider policy matters.

Yours sincerely,

James Frith MP
