

7 March 2025

Dear Tottington High School,

Thank you so much for your continued support and generosity. Your staff, students and wider community have been a part of some amazing initiatives.

The Christmas cards you designed for our patients as part of our Christmas Card Appeal were wonderful. We shared these with staff and patients across our hospitals and community services. When you came to Fairfield Hospital and performed Christmas carols it really lifted the spirits of our patients, staff and visitors. The money raised while you were singing was used to help purchase gifts for our patients under our care on Christmas Day. With many people unable to see their family and friends during the festive period you really helped to bring a smile to their faces.

Your support helps us to continue to fund projects above and beyond the scope of the NHS. Our services support over one million people within our communities, by helping to provide outstanding care across Bury, Oldham, Rochdale and Salford through innovative equipment, education, research, and wellbeing support.

Once again, thank you for choosing to support NorthCare Charity. We look forward to continuing to work together in the future.

If you need any more information, please do not hesitate to ask.

Best wishes,

Stephen Owen
Head of Fundraising
