Please log onto teams ready to start at 11am. It is vital that you still attend all lessons and complete all work that is set, as this will be needed for both your GCSE grade and also your future college courses.

## Kerboodle text book questions pg 181 Homeostasis review

Due today at 11:59 PM

### Instructions

Complete the questions on page 181 of the kerboodle text book and upload them to here. If you have already submitted it via show my homework don't worry about uploading it onto here as well. This is a test for future tasks so that we can just use one platform, instead of show my homework and teams.
