

Hi,

We are really looking forward to seeing you and welcoming you to Year 1. We hope that you are looking forward to meeting your new teachers and seeing your friends again. Next year we will be learning about lots of exciting things including; Guy Fawkes (in History), Plants (in Science) and India (in Geography). We can't wait to learn all about these things with you. Do you have a favourite subject already? Soon you will get a chance to meet your new teacher. Have a think of anything you would like to ask your teacher when you meet them. We can't wait to see you and welcome you to Year 1!
