

Hi,

We are really looking forward to seeing you and welcoming you to Year 2 . We hope that you are looking forward to meeting your new teachers and seeing your friends again. Next year we will be learning about lots of exciting things including; Solar system (in Science), Islands (in Geography) and Henry VIII (in History). We can't wait to learn all about these things with you. Do you have a favourite subject already? Soon you will get a chance to meet your new teacher. Have a think of anything you would like to ask your teacher when you meet them. Maybe you could tell them all about your favourite subject! We can't wait to see you and welcome you to Year 2!

Hedgehogs and Squirrels Teachers
