Dear Stakeholder,

Consultation: Townhill Infant – Proposed Extension of Age Range to Accommodate a Pre-School from February 1st 2023

On behalf of Hamwic Education Trust and Townhill Infant School, we write to inform you that we are now consulting all stakeholders on the extension of age range at our Infant school to accommodate a pre-school. This proposal is a result of the withdrawal of services by the YMCA of the YMCA Pre-School and the schools wish to carry on the legacy of the established early years care that they have created.

The proposal will mean that the lower age limit at the Infant School will change from 4 years to 2 years. Further details are provided in the attached business case.

The stakeholders we are consulting with are;

- Parents/carers of the school
- Staff at the school
- Current YMCA Townhill Nursery and Pre-School
- Parents/carers of children that currently attend YMCA Townhill Nursery and Pre-School
- Staff at the YMCA Townhill Nursery and Pre-School
- Other schools in the local area
- Other childcare providers in the local area
- Childminders in the local area
- Southampton City Council
- The Local Governing Body of the school
- Hamwic Education Trust

The formal consultation will begin on Thursday 24th November 2022 and will run until Friday 6th January 2023.

We hope that you will support this proposal and we would appreciate your views on this. We would therefore like to invite you to respond using the email address: consultation@townhill-inf.net

Yours sincerely
