Existence- Being in and with the world, faith in the world and other human beings

In each Topic the children will follow:

Communicate- introduction to concept and learners share experiences of it

Apply-children share their own experiences with others and become aware of the experiences of others including their own classmates.

Enquire-children will engage with concepts, vocabulary and rituals/traditions.

Contextualise- children learn about the experiences of believers with real life examples of traditions/rituals.

Evaluate- children consider the impact on believers and move on to the impact it might have on their own lives.
