What provision is there in breakfast club?

Children can have their breakfast with us at school or at home, the choice is yours. At school we offer the children a variety of options for their breakfast, this can include: toast (with a choice of spreads), crumpets, cereal, yogurt, fruit and a drink.

Breakfast is only available if your child is booked in before 8:20am. After the children have had something to eat and drink morning activities are organised.

If your child is booked in after 8:20am they are cared for and access activities until they are taken to class for registration.

After School Club

What provision is there in after school club?

Children arrive in after school club after a very busy day in school and so are offered a choice of healthy snacks and drinks. Please note that this is a snack and it is not intended to replace the evening meal.

Staff who are working with the after school children that day organise a wide variety of activities both inside and outside (weather and staffing permitted). These can include drawing, collage, pompom making, bingo, board games, Lego, arts and crafts, snooker, small world, computers and many more.

Any child booked in the after school club must be collected by **5:30pm**. However, if for some reason they are not collected on time then a charge of **£20.00** per quarter hour will be incurred on top of the cost of the session.

How am I billed?

A weekly email is sent out to all parents that have used the service advising them of the cost. Payments for the before and after school clubs are to be made on a weekly basis.

Payments can be made:-

General Important Information

The entrance to breakfast club is via the school's main entrance. There is a buzzer on the outside wall labelled "Forest Friends Club" to press for attention. A member of the club will respond and come down to let the child in. All children **MUST** be signed in by the adult dropping them off on the office iPad.

When children are collected from after school club, again via the main entrance, adults press the buzzer for attention. A member of the club will respond and ask who is being collected. They will then bring the child down to the main door. All children **MUST** be signed out by the adult who is collecting them on the office iPad.
