# Headteacher's Message

What a busy couple of weeks it has been here at Trawden School, and what lovely weather we have been having! I hope you all enjoyed the Bank Holiday at the start of this week.

May I take this opportunity to say how smart everyone looked for their class photographs with Tiny Pixels last week. Thank you to parents/carers for your help.

Thank you to everyone who took part in our PTFA smarties fund raising event. Our PTFA do a fantastic job helping raise funds for school, which enables us to provide different learning experiences for our children in school.

Mrs Clarke has been getting our Year 6 children prepared and in the zone for their SATS next week, Y6 please see the timetable on the next slide.

This week our Year 3 children took part in their level 1 cycle training with Go Velo. You all showed great determination and stamina – well done and thank you to the Go Velo staff for their time and patience. Next Friday is the refresher course for Year 4!

This week EYFS have been watching some ducklings hatch in their special incubator in the classroom. They are now carefully looking after them.

Our school council went to visit MP Johnathan Hinder at Colne Town Hall last week to discuss their concerns about food poverty in Pendle. Miss Hart was very impressed by their speech and the questions and contributions they made during the session - they even made the local paper!

This is a polite reminder that the staff car park is **not** to be used by parents/carers. On occasions if the gates are open this is still only for staff and deliveries only. Thank you for your cooperation and understanding.

Please all enjoy the weekend, especially the Year 6 children! (I know you have all worked very hard, so please don't worry about next week – you will all do your best!).

**Don't forget we are starting our "Walk to School Week" off with a walking bus from 8.30am-8.55am on Monday 19<sup>th</sup> May – so from 8.30am there will be NO CARS ABLE TO DRIVE UP DEAN STREET.** Thank you.

Kindest regards  
Mrs L Stinchon

# Year 6 SATs information

At Trawden, we all aspire for our children to be happy, successful learners in order to reach their full potential and this is no different in Year 6.

In Year 6, we personalise the children's learning as much as possible to enable them to make the best possible progress and will work with you as parents and carers to work on the areas where they need further practice and challenge. We help prepare them, not just for the SATs, but more importantly, their own learning journey and preparation for High School. We do this in many ways, including:

Developing their independence, roles and responsibilities.;

Personalised learning;

Revision guides.

We hope that you will work with us to support your child so that they feel positive and prepared. If you have any queries or questions, please don't hesitate to get in touch.

SATs don't measure sports  
SATs don't measure art,  
SATs don't measure music,  
Or the kindness in your heart.

SATs don't see your beauty,  
SATs don't know your worth,  
SATs don't see the reasons,  
You were put upon this earth.

SATs don't see your magic,  
How you make others smile,  
SATs don't time how quickly,  
You can run a mile.

SATs don't hear your laughter,  
Or see you've come this far,  
SATs are just a tiny glimpse,  
Of who you really are.

So sitting at your table,  
With a pencil and your test,  
Remember SATs aren't who you are,  
Remember **you're the best!**

# Help Us Beat Our PTFA Fundraising Record!

On 5<sup>th</sup> and 6<sup>th</sup> July, some of our Trawden Forest Primary families are taking part in the Trawden Garden Festival Scarecrow Trail!

They will be running a refreshment stop on Rye Croft with drinks, snacks, and games for children, plus refreshments for adults — raising funds for the PTFA!

## How You Can Help?

Own a business? Know someone who does? They would love your support!

They are looking for contributions towards or donations of boxes of wine, beers, and ciders. Donations will be exchanged for contributions to the school.

Two years ago, they raised over £1,500 which funded a new sound system for the school - they are aiming even higher this year!

All sponsors will have their business name/logo displayed at the event.

If you can help or know someone who can please contact: Melanie Cook [melaniecook7@hotmail.com](mailto:melaniecook7@hotmail.com) or Shannon Oakley [missshannonmahoney@gmail.com](mailto:missshannonmahoney@gmail.com)

**Thank you for supporting our school!**

# Celebrating VE Day!

Yesterday we celebrated the 80<sup>th</sup> VE - 'Victory in Europe' day in school.

We started with a whole school assembly full of facts and pictures. Our Year 6 children represented our school proudly at the community service, led by Reverend Froud, at the memorial in the village. Then our school dinner children had a red, white and blue twist added to their school dinner by our wonderful cook, Jayne!

Let's look at the story

On 8th May 1945, people across Britain and other countries around the world celebrated the end of World War II in Europe. This day became known as VE Day, which stands for 'Victory in Europe Day'. It marked the moment when the fighting in Europe stopped, and peace could begin again after years of conflict, hardship, and loss. 80 years on, we remember this important moment – not just to look back, but to think about what peace means today and why it still matters.

# Walk to School Week

## 19.5.25 - 23.5.25

- There will be a walking bus on the morning of Monday 19<sup>th</sup> May from 8.30am-8.55am, where staff will be on hand to WALK the children safely up to school. The 'bus' starts at the bottom of Dean St – **no cars allowed up Dean Street that morning please!**
- Children will have assemblies and activities in class to help them to understand the benefits of walking to school.
- Children will be encouraged to walk to school each day of the week and log their active journeys using Travel Tracker.
- Any children who walk every day of the week will be awarded a WOW badge.
- Children will be asked to design posters to encourage others to walk to school.
- KS1 children will be learning and practising basic road safety skills.
