Location	Trawden Forest Primary School	Assessment Number	3
Lead Officer	L Stinchon	Distribution	To all Staff, Governors and families via school website.
Date of Assessment	February 2024	Review Date	February 2026 – or sooner if required

'Radicalisation' is defined as the process by which people come to support/promote extremism or terrorism or and in some cases, to then participate in terrorist activity.

'Extremism' is vocal or active opposition to fundamental British Values including **Democracy, Rule of Law, Individual Liberty and Mutual Respect and Tolerance of those with different faiths or beliefs**. This also includes calling for the death of our Armed Forces.

Since the publication of the **'Prevent Strategy'**, there has been an awareness of the specific need to safeguard children, young people and families from violent extremism. There have attempts to radicalise vulnerable children and young people to hold extreme views including views justifying political, religious, sexist or racist violence, or to steer them into a narrow and rigid ideology that is intolerant of diversity and leaves them vulnerable to future radicalisation.

Keeping children safe from these risks is a safeguarding matter and is approached in the same way as safeguarding children and young people from any other risks. Children and young people should be protected from messages of all violent extremism including but not restricted to those linked to extreme Islamist ideology or to Far Right/White Supremacist Ideology, Irish Nationalist and Loyalist Paramilitary groups and extremist Animal Rights groups.

'Prevent' in the context of counter terrorism is intervention before any criminal offence has been committed and is with the intention of preventing individuals or groups from committing crimes

Ensure all staff (those absent at last training) receive this as soon as possible on return to work.	DSL

3	Partnerships	<p>i) The organisation does not establish effective partnerships with organisations such as the Local Authority Prevent Coordinator and Education Officer, Police Prevent Team, DfE Regional Coordinator and others.</p> <p>ii) The result is that the organisation is not fully appraised of national and local risks and does not have access to developing good practice advice or supportive peer networks.</p>	<p>School has contact with the Local Prevent Education Officer and uses them for in house training on an annual basis. Documentations given are shared to all those involved in school on a daily basis.</p> <p>Head teacher report to governors states if any cases have occurred and 1:1 meetings with the safeguarding governor are held.</p>	<p>Further training and support needed for how to support pupils who have been affected – intervention support is needed although school would normally contact Education Officer for advice.</p> <p>Further information for GB – training or 7 minute briefing figures to be issued.</p>	DSL / HT

Links are made in the curriculum overview but these need to be made apparent when teaching topics.</p> <p>KS2 curriculum overview still needs FBV links to be explicit.</p>	SLT
