

School Uniform Policy

Responsible Person	Mrs L Stinchon
Date Created	September 2026
Date to be Reviewed	September 2027

Uniform is compulsory at Trawden Forest Primary School. We ask that all parents do everything in their power to see that their child is sent to school uniformly dressed. A school uniform encourages the children to feel a sense of pride in belonging to the school, and has the advantage of eliminating arguments about what to wear each day.

At Trawden we pride ourselves in being smart, well presented and ready for learning. It is our school policy that all children in EYFS up to Year 6 wear school uniform when attending school, or when participating in school-organised events outside normal school hours.

Through this policy we aim to ensure that within our school we promote an atmosphere which encourages effort, enjoyment and a celebration of the achievements of all our pupils.

There are many positive reasons for a school uniform, including:

- A uniform creates a sense of school pride and belonging
- A uniform encourages students to express their individuality through personality and academic achievements, not outward appearances
- A uniform puts the focus on academics, not fashion and makes children feel equal to their peers in terms of appearance
- A uniform can be less expensive
- A uniform eliminates pressure to wear brand name clothing
- A uniform is designed with health and safety in mind

Role of Pupils

Pupils will:

- be aware of and comply with this policy by wearing correct uniform;
- be polite and well behaved at all times;
- show consideration to others;
- obey all health and safety regulations in all areas of the school;
- liaise with the school council about any improvements to this policy;
- take part in questionnaires and surveys

The Role of Parents/Carers

Parents/Carers will:

- be aware of and comply with this policy by ensuring their children wear school uniform at all times;
- be contacted if their child is not wearing the correct uniform;
- ensure that their child's uniform is clean, named and in good repair;
- be asked to take part periodic surveys conducted by the school.

If a parent has difficulties for any reason with fulfilling this request they are asked to speak confidentially to a senior member of staff to discuss the issues. Parents should be assured that we will do all we can to help.

Children who arrive at school wearing non-school uniform clothing will be loaned an appropriate item from our lost property to wear for that day if possible. The same system will apply for children who do not have a PE kit. Parents will be contacted to discuss the matter.

Role of the Headteacher

The Headteacher will:

- delegate responsibility on its endorsement to the Staff Team;
- ensure all school staff, pupils and parents are aware of and comply with this policy;

- ask all staff to report any pupil who does not comply with this policy;
- contact parents of pupils abusing this policy asking for their support before any further sanctions are imposed
- impose sanctions for non-compliance with school uniform;
- process any complaints received in the appropriate way as stated in the school's complaints policy;
- monitor the effectiveness of this policy by speaking with pupils, school staff, parents and governors;
- regularly report to the Governing Body on the success and development of this policy.

Role of School Staff

School Staff will:

- comply with all aspects of this policy;
- lead by example dressing appropriately and professionally;
- be of a neat and tidy appearance;
- report any pupil who does not comply with this policy;
- report any concerns they have on any aspect of the school community;
- have the responsibility of involving the School Council in:
 - discussing improvements to this policy during the school year;
 - reviewing the effectiveness of this policy with their peers and then the Governing Body

The Role of Governors

Governors will:

- delegate powers and responsibilities to the Headteacher to ensure all school personnel and visitors to the school are aware of and comply with this policy;
- have responsibility for ensuring that the school complies with all equalities legislation;
- appoint an Equalities governor to ensure that appropriate action will be taken to deal with all prejudice related incidents or incidents which are a breach of this policy;
- have responsibility for ensuring funding is in place to support this policy;
- have responsibility for ensuring this policy and all policies are maintained and updated regularly;
- have responsibility for ensuring all policies are made available to parents;
- have responsibility for the effective implementation, monitoring and evaluation of this policy.
