This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make

additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA)

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
To enable Year 6 children to lead sport (play leaders). To ensure children have a wide range of opportunities to be physically active at lunchtimes through the thrill, skill and chill programme.	All children have continuous opportunities to be active during the school day. Year 6 children lead active games during lunch times and are motivated to join in with physically active games during lunch times.	Year 6 have completed this – ideally extend training to year 5 before Summer term.
CPD for new staff to ensure all staff can plan, sequence and use progression of skills to the highest level. Also ensure they can make use of the accurate assessment through the PE app.	The PE app has been actively used this academic year. All teaching staff familiar with the PE passport app; how to adapt the curriculum to the needs of their children/ class; how to collect evidence.	Look at adapting the app to tailor lessons to individual classes. Look at adaptive teaching.
To broaden the range of sports offered as post covid we chose to provide major sports e.g. cricket, football, high fives, kurling etc. The next academic year we will focus on Commonwealth Games sports e.g., Fencing, archery to allow a range of sports for all our children to participate in.	Two sports clubs per week have been offered to children this academic year. Summer term three clubs have been offered. School has offered both morning and after-school opportunities for all children in school. Engagement within the clubs has been fantastic.	Continue to offer breadth and depth in all areas of activity.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	84%	Those who can't swim were offered additional sessions free of charge in the holidays
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	68%	

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	68%	Children received swimming lessons for a term and completed this.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?		All Pupil Premium children were offered top-up sessions in the summer term. An additional 9% of the cohort attended (3 children), 2 of whom reached national expectations.
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	The year 4 teacher received CPD for this.
