

TRAWDEN FOREST PRIMARY SCHOOL

NEWSLETTER

Every child matters; every moment counts!

Friday 1st February 2019

Headteacher's Note:

What a cold, frosty week we have had - the children have loved looking at the frozen fields and seeing the snow fall, thankfully it's nice and warm in school!

This week, we were very excited to have been chosen to host the Pendle Reading Challenge Conference. We accommodated sixty children from neighbouring schools and our Reading Ambassadors did a fantastic job helping to organise and run the event. Please see the website and Facebook for photographs.

Thank you so much to all of those parents and family who braved the snow and attended our French Café. It was a very successful way to end our enjoyable French Theme Day.

We have a busy and important week next week with the children looking at being safe online and then it is full steam ahead rehearsing for Rock Kidz.

Lastly, please can I remind you to return all slips in a timely manner—its vitally important for us to be able to plan events. Thank you for your continued support.

Online Safety Week

Next week, we are holding our Online Safety Week to coincide with Safer internet Day (Tuesday 5th February). Safer Internet Day is celebrated globally in February each year in over a hundred countries to promote the safe and positive use of digital technology for children and young people and inspire a national conversation. The aim of our week is help promote the safe, responsible and positive use of digital technology for children in our school.

During the week we will be focussing on how we can stay safe online by following the SMART rules, what we can do if something makes us we feel unhappy, how our behaviour online affects others and understanding that there is always someone we can turn to for advice.

We have attached a separate document to this newsletter, which will provide information about useful website and online resources to use with your children.

PE Kit

If any parents or carers have any spare PE Kit, - could it be brought into school please.

We often have children who forget their kit and we would like to set up some spare sets.

Sport is vital for the health and well being of children and we do not want any child to miss out. Thank you.

Games for wet play

We try to allow the children to play outside as much as possible but sometimes it 's just too wet!

We have a small selection of indoor games for the children to play but we would like a few more. If parents or carers have any suitable (full set) board games or card games you were thinking of giving away, please could you send them into school. The children would really appreciate it. Thank you.

Mr Irvine is keen to include our school in as many organised sports events as possible. It is a great way to meet and interact with children from other schools whilst improving their sports skills and team-working and most importantly having fun!

Look what's coming up;

- ⇒ Wednesday 13th February - Y5/6 B team football
