Every child matters; every moment counts!

Friday 3rd April 2020

Reception

Well done Reception! You have completed two weeks of learning at home and are doing an amazing job! I have seen lots of the things you have been doing and I am very impressed with how creative you (and your parents) are. I've seen Elmer, a rainbow fish and the whole cast of What the Ladybird Heard. I've read super sentences and seen brilliant number work and a whole roomful of jigsaws! Many of you are keeping a close eye on the birds for me and I know some of you have even got frogspawn that you can watch. Please keep putting your activities on Tapestry – I love to see your learning. Parents can email me if they have any questions or are struggling to use Tapestry. Stay safe and stay happy.

Love from Mrs Alcock, Mrs McGowan and Mr Lomax

Headteacher's Note:

Well these last 2 weeks have been so strange with very few children and staff in school. I hope that you are all managing to fit in family time, working from home time and home learning time too. Our home learning is being supplemented from 20th April as we will be using Seesaw. All the information will be sent to you in an email. Have a look here: <https://web.seesaw.me/families>

If your child is a pupil premium child and is entitled to free school meals, you will be sent an e-voucher via email on a weekly basis. Please read our informative email carefully.

If you are a key worker and need child care provision from Monday 20th April please email me. I would like to wish you all Happy Easter and please keep safe, Mrs Stinchon

Year 1

Well done year 1 for another busy week filled with lots of super home learning. We have loved receiving e-mails with exciting messages and photographs showing us what you have all been doing at home. Your super sentence writing has been excellent, keep it up! We are really missing you all can't wait to have you all back in school. Well done for all of your hard work in and out of school this term, you should all be very proud of yourselves, have a lovely Easter holidays, ready for lots of learning again in 2 weeks time.

Stay safe, keep washing your hands,
Mrs Wiseman, Mrs Beetham and Mrs Nelson x
kwiseman@trawden.lancs.sch.uk

Year 2

Hello Year 2!
I hope that you are all safe, well and happy! I really enjoyed speaking to your parents and finding out just how hard you have been working. I can't wait to see how much you have improved, when we are back in school. I have been really impressed to hear all the wonderful things you have been doing with your parents too... Especially the baking! I wish I could taste some of the goodies you have made! Well done for completing many of the online tasks too! When I checked NUMBOTS this morning, I was blown away with how many questions you had answered correctly. I miss all of you and cannot wait to back in our class together. Parents, if you need anything, please send me an email and I will respond as soon as possible.

Thank you, Mr Loynds and Miss Hart

Accelerated Reader—Information for learning from home!

<https://Ukhosted72.renlearn.co.uk/2241451>

It's great to see so many people taking a quiz on their books at home using the above link.

We've never been able to access this at home before, and we understand that this is a new process to try.

You can use the link above, type in your user name and password as you would at school (the details were on the password sheet of your work packs) and complete a quiz.

You can also use <http://readon.myon.co.uk/> to access further books, read online and then complete a quiz using your AR log in. There is a link on our website to readon too (classes - home learning - then scroll down to Accelerated Reader information) You do need to select UK English when searching to find the books that are 'quizzable'.

Below is a list of useful websites where you can access reading materials online. As an extra idea, if you have a Lancashire library card, BorrowBox is still available so books can be borrowed and read online.

If you don't know your username and password, please contact your teacher who will be able to give this information to you.

Useful websites for reading

www.arbookfind.co.uk can be used to find books that your child can take a quiz upon, either within your book shelves, through using MyOn or reading books using other apps or websites.

<http://readon.myon.co.uk/> this website is linked to AR, it is free and allows children to read online. They can take quizzes on some of the books through logging into Accelerated Reader

www.oxfordowl.co.uk provides a free ebook library

<https://www.harpercollinschildrensbooks.co.uk/listen-for-free/> Free audiobooks for your child (and you!) to enjoy

<https://stories.audible.com/start-listen> audible have free children's books to stream

<https://www.worldofdavidwalliams.com> David Walliams reads his books aloud daily

<https://www.nessy.com/free-trial/signup> access a free trial of Nessy's reading and spelling materials

<https://www.british-sign-sign.co.uk/shop/product/introducing-british-sign-language-enrolment> The BSL course is free for under 18 year olds

<https://www.bl.uk/childrens-books#> the British Library has a collection of stories, videos and activities

<https://www.booktrust.org.uk/> contains activity videos like 'Learn to draw with Ed Vere' as well as book lists and recommended reads

Hello again Year 4,

I hope that you are all still well and washing your hands. I am pleased that you are busy with your home learning and know, from chatting to your parents this week (it was lovely to chat to some of you too), that you have also been managing to fit some other activities into your day such as: Joe Wicks, online animal watching, drawing, walks, baking and talking to your

friends using online tools. These are also very important.

Remember to ask your parents to email me if you need help with anything to do with home learning. Thank you to Jonathon and Oscar for sending me pictures of their artwork. Fabulous!

Please continue to stay safe, look after your brothers and sisters and remember to be kind to everyone. I hope you manage to have a wonderful Easter!

Well done, everyone and keep learning!

Love from, Mrs Atkinson and Mrs Whittaker

katkinson@trawden.lancs.sch.uk

**THANK YOU FOR SENDING US YOUR RAINBOW PICTURES IN SUPPORT OF THE
NHS AND OUR OTHER EMERGENCY WORKERS**

Hello Year Three,

Hope you are all keeping healthy and have been enjoying your time at home with your families. I think now we have got past the first week many of you will be settling in to learning from home and I hope the suggested timetable that was sent out at the weekend has helped. I

have received lots of emails this week from your parents telling me what you have been up to and I am really pleased and impressed with some of the creative ways you have been learning from home.

Brody asked his dad to put some numbers on the goalposts, his dad would then read out a times table question and Brody would shoot at the correct answer, how fantastic is that!

Mia and Brody have been growing their own vegetables which is one of the bucket list tasks and they have been doing a brilliant job. That parsnip is almost as big as Mia and her instructions are really well thought out and informative.

I have also spoken to Emily's dad who told me that she has made a fort in her garden out of spare curtains and other things they have found in the house, Emily now spends lots of time reading in it. I'm sure it's super cosy and I can't wait to see the pictures!

Please keep your emails coming as they brighten my day to hear how well you're all doing and obviously if you have any problems with the home learning packs then let me know.

I hope you and your parents have a really relaxing Easter break.

Take care and stay safe, Miss Lambert.

blambert@trawden.lancs.sch.uk

We have had some reports in to school, by some concerned local citizen, that some school-aged children have been riding around the village on bikes without helmets on. We know that the children may not attend Trawden Forest Primary School but we felt that a friendly reminder to stay safe would not come amiss at this time.

You should only be out on a bike as a single form of exercise, not in a group, NOT PLAYING OUT, and with a helmet on! We do not want to anyone to have an accident and end up a burden to the NHS!

Parents please check on your children.

Hello Year Five,

I hope you and your families are all well. Two weeks have gone by, and I'm still missing you all. It has been wonderful to speak to all of your parents and to catch up on how you are all getting on. I've heard about you all helping out, painting, baking banana bread, mucking out the horses, playing board games as a family and so much more besides. So many of you are using the resources on the class timetable, completing Joe Wick's workout (hope you've all dressed up today!) completing quizzes, working through your packs and even writing letters to yourselves to read in ten years' time! My, you are an intelligent and creative group of wonderful children. I look forward to seeing more of your work soon, either via email or Seesaw. Parents – keep going, you're doing an amazing job with your small people! Do get in touch if you need help with anything.

Keep smiling everyone,

Mrs Dixon and Mrs Stansfield

ldixon@trawden.lancs.sch.uk

Another fabulous website we would like to remind you about to help with Home Learning is CLASSROOM SECRETS

It is accessible through our website <http://trawden-forest-primary-school.thelearningwall.co.uk/wall/pupil-zone>

Go to <https://kids.classroomsecrets.co.uk/>

Click log in

Use the username and password your teacher sent home.

Website: <https://kids.classroomsecrets.co.uk/>

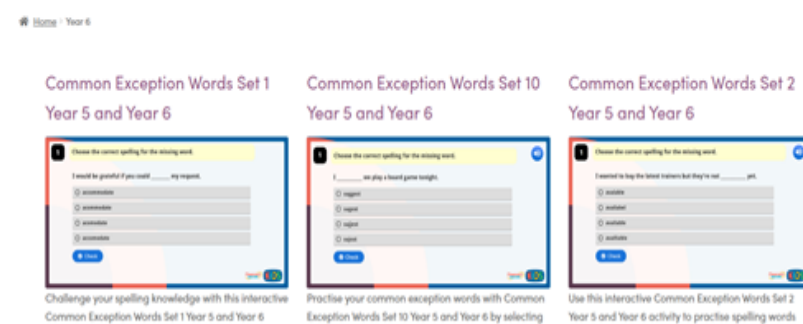

Username: _____

Password: _____

After that a page like this come up, where your child would click on their relevant year group activities, or any other they would like to try.

Clicking onto the year 6 tab would bring a screen up like this;

Then off you go ...

Year 6

Year 6

Hello Year 6,
I hope you are all well and keeping safe and that by now, you are into a routine with Home Learning.

I am sure that you will have a timetable set up now and you will be working through the Maths and English tasks and online learning too. Please know that I do not expect you to complete everything on the list but a range of the activities will help your learning.

If you haven't seen the Bucket List Challenge from last week's newsletter, please do check this out and ask you parents if they can email me pictures etc of your designs. They can also email me, if you need help with anything to do with home learning.

Thanks, Mrs Clark, Mrs Bottomley and Miss Gallagher

cclark@trawden.lancs.sch.uk

The most important thing individuals can do to protect themselves is to

wash their hands more often, for at least 20 seconds, with soap and water. Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and whenever you return home.

The latest guidance can be found here:
