Friday 3rd July 2020—Headteacher's Note to Parents:

This week, school has been feeling a lot more like school should. We now have 4 full groups of key worker children, a Year 1 group and a Reception group. It has been a busy week. The children have all adapted well to social distancing and sanitising! They are all happy and have made the staff very proud.

Next week, we will welcome back our Year 6 children. This group of children need to remember their packed lunch and water bottle from home.

I would like to remind all parents that we do have a slightly staggered start and end to the school day to help with social distancing and parking congestion:-

KW children: 8.50am—3.30pm

Year 1: 9.00am—3.20pm

Year R: 9.10am—3.10pm

Year 6: 9.10am—3.20pm

I do realise some parents will have to wait between groups but this is for the safety of the children and everyone.

Next Thursday, if your child is in school, they will bring home their end of year report. If your child is learning at home their report will be posted to home.

Thank you for your continued understanding, patience and support!

Stay safe and take care,
Mrs Stinchon

**VIRTUAL 3km
PENDLE PEDAL**

Take a bike ride with the family.
Score points for your school for taking part

Sat 11th June - Sun 12th July

Who will be Pendle's champion school?

Prizes for best photos of you on your ride

The home learning last week was themed—Zoos. Well done! There were some fabulous pieces of work and some children loved the virtual tours!

Next week, the home learning activities are once again themed - "Castles and Dragons" - have fun and if you need any help or support please ring the office or email your teacher.

If your child is provided with a paper pack for home learning please remember to pick it up.

The packs are ready after lunch each Monday.

Don't forget to take photographs and upload them onto seesaw or email work to your class teacher.
