Friday 3rd December 2021

What an eventful and interesting couple of weeks we have had so far! Firstly may I say thank you to all Parents and Carers for your understanding regarding our school closure on Monday. This was very short notice and I appreciate that alternate childcare will have had to be arranged. I was relieved when everyone in Trawden eventually got their water supply turned back on! This week our school has been filled with lots of singing and Christmas excitement, as our Key stage 1 children prepare for their production of 'Behind the stable door'. Tickets are still available to purchase for those who may not have already done so. We will notify you via email if spare tickets become available, so please keep checking your emails! Raffle tickets for our Christmas hampers are still available to purchase, should you wish to increase your chances!

Thank you for your continued support.
