NEWSLETTER

Every child matters; every moment counts!

Friday 8th March 2019

Headteacher's Note:

What a great week we have had! The children all looked amazing on Thursday for World Book Day. Thank you all for making such a huge effort - we do appreciate it.

The Deputy Mayor of Pendle came to visit us on this special day and was very impressed with the school and the children and even invited us to look round the Council Chambers! Please see the pictures on Facebook and the website.

We are all looking forward to British Science week next week. I know some of the children have already been working on their experiments for the Science Fair and I am very much looking forward to seeing the end result.

Thank you, as always, for your continued support.
Mrs Stinchon

Recycling

We are very conscious that we have a responsibility to teach our children about the increasingly, urgent need to recycle.

We have sourced some 'recycling bins' and we will be encouraging the children to recycle their crisp packets and plastic bottles from their packed lunches in school.

We would also encourage parents and carers to drop in any used ink cartridges and/or batteries. Mrs Nelson has arranged for the school to receive recompense for these that will go towards school funds.

We are very happy to work in partnership with the village shop in Trawden who are also keen to receive your recycling—the more the better!

Thank you.

Chocolate Bingo

Our PTFA are hosting a Chocolate Bingo Evening on **Wednesday 1st May** - we think that raising money for school is the perfect excuse for eating chocolate! Details of the event will follow soon.

To help facilitate this, we are holding a non-uniform day on **Thursday the 25th April** and we ask that children donate chocolate instead of a £1. So don't feel that you have to eat all those Easter eggs ;)

Thank you.

LET'S CELEBRATE!

Congratulations to all our award winners this week!
