Friday 10th June 2022

A very warm welcome back to you all. I hope you all had a restful half term and enjoyed some of the nice weather we experienced.

May I take this opportunity to say, what a wonderful Jubilee day we had on our last day of school. I must say a special thank you to Jayne our school cook, who managed to rustle up a royal lunch fit for the Queen!

It has been a very busy first week back at school and great to see all the children recharged and ready to learn for the final half term of the academic year. You may have noticed lots of work has been taking place on our school field over the holidays. Thank you to all the parents, carers and relatives who gave up their precious time to come and help us.

Thank you also, to all parents and carers for sending your children in to school looking very smart for their class photographs today. The photographer commented how well behaved they all were and we look forward to the results! We will inform you when the photographs can be viewed and purchased if required.

Please note that all sessions for our before and after school club now have to be booked through our school office. Where possible please try to book these in advance. Thank you.

I hope you all have a restful weekend. Thank you for your continued support, Mrs Stinchon

Your School Lottery raises much needed funds for our PTFA. We really appreciate all our supporters but we would love more!

Thank you to Mrs J Lomax and Mrs A Waddington who have kindly donated their lottery winnings back to school.
