## Friday 10th July 2020—Headteacher's Note to Parents:

This week, our Year 6 children joined us back in school. What a fabulous time they have had. They are also looking forward to their last week of primary school.

As I said in my letter about all children returning to school in September, we will be putting together the safest plan we can and we will share that with you as soon as we can. Please keep an eye on your emails through ParentMail.

I would like to remind all parents that we do have a slightly staggered start and end to the school day to help with social distancing and parking congestion:-

KW children: 8.50am—3.30pm

Year 1: 9.00am—3.20pm

Year R: 9.10am—3.10pm

Year 6: 9.10am—3.20pm

I do realise some parents will have to wait between groups but this is for the safety of the children and everyone.

Your child's school report was either brought home by them on Thursday or it was posted out to you. Please let us know your thought by replying as requested.

Thank you for your continued understanding, patience and support!

Stay safe and take care,  
Mrs Stinchon

## Year 6 Children—Leavers Day

Unfortunately, under the current circumstances we cannot do things the way we would normally or the way we would like to. However, we could not let our year 6 move onto high school without recognising this occasion in some way, no matter how small.

Over the last few weeks we have been gathering items together that we hope will help the children remember their time here at Trawden Forest Primary School.

We are planning a pizza and cake socially distanced lunch for all of our Year 6 children.

We are also - weather permitting— planning a short leavers presentation at **2.00pm on Thursday 16<sup>th</sup> July**; this will take place on the Key Stage 2 playground (hopefully it will stay fine).

Parents are very welcome to join us, but can we please ask that you enter the playground using the one-way system in place, the gate will open at 1:50pm and you must adhere to the 2 metre distancing rule when finding a place to stand.

There may be a couple of special visitors too!

The children will then come out of school and join you on the playground. The staff will present the children with their "goodie" bags and wish them farewell. The children can then leave with their parents.

Work on Seesaw this week will be based around transition in school and activities to hopefully help them feel good and ready about returning to school in September. Don't forget your paper packs will be ready after Monday lunchtime.

## We need your old clothes

Please may we politely ask if you are having a clear out, could you please donate any old clothes to school.

We are collecting them in the garage outside on the car park. Please could they be placed there before the morning of before Wednesday 15th July.
