Friday 11th December 2020

A Big well done to all our Key stage 1 children who finished filming 'Lights, Camel, Action' this week. Everyone showed lots of enthusiasm and we certainly have some budding actors here at Trawden! Thank you to Mr Loynds and Mr Oakley for all the time and effort they have put into editing and preparing the DVD's.

If your child does not normally have a school dinner but they would like to join in with our school Christmas dinner, please contact the school office by phone 01282 865242 or via email - bursar@trawden.lancs.sch.uk and a payment of £2.30 needs to be made to be made via Parent-Mail.

Today EYFS and KS1 had a very special visitor! They had a wonderful morning that also included presents! I am sure that you will see some of the photographs on Facebook!

I am sure that you have heard that earlier this week the government announced that schools can close to children at the end of the day on Thursday 17th December.

Their reasoning for this is to ensure the period of contract tracing which schools are still required to undertake does not have to take place on Christmas Eve. In view of this, we have thought and consulted with colleagues and we have decided that to say we are going to close a day early is such short notice for parents.

Therefore, we will finish our Autumn term on Friday 18th December at 3.30pm as we originally planned. Please also note there will be NO AFTER SCHOOL CLUB on this day.

Details of the track and trace procedures for the week after we finish school will be sent out to all parents next week via ParentMail.

We have a very busy and festive week planned next week to finish off our term with lots of fun! Thank you for your continued support and cooperation,
Mrs Stinchon

CHRISTMAS PARTY! Wednesday 16th December is ...
KS2 CHRISTMAS PARTY AFTERNOON!

Thursday 17th December is ...
EYFS+KS1 CHRISTMAS PARTY AFTERNOON!

On their day the children can come dressed in party clothes but must remember to please wear sensible footwear and a coat as they will still be having playtime. The day will be full of Christmas games, songs and activities.

PARKING:-

We understand how difficult parking is on Dean Street and how congested the road becomes at drop off and pick up times. Please have consideration for residents, other drivers and our children with their parents.

We have had many concerns put to us today and we are trying to find new ways to help to ease this problem, as we always have done. We have had many ideas and listened to new ones, however, unfortunately things do not change over night. We have been in contact again with Lancashire highways and await a visit next week. Please contact the school office.

Thank you for your understanding and cooperation.

We CAN reduce the spread of the Covid-19 virus together!

Q Is everyone in your family aged 11 and over wearing a face covering in shops, supermarkets & on buses, trains & in taxis?

Tick box

Q Are you remembering to count to 20 when you wash your hands really well and often?

Tick box

Q Do you or does someone you live with always carry hand sanitiser when you're out and about?

Tick box

Q It's hard but are you and your family remembering not to hug or shake hands when meeting people you don't live with?

Tick box

Q Did you know that you should open doors and windows for 15 minutes twice a day to freshen the air if you can. But make sure people, including young children in your family, are safe first.

The Government has put Pendle under the highest tier of restrictions in England, Tier 3, which means we have **NEW RESTRICTIONS** we must follow. But we can all play a part in Pendle moving to a lower tier, with less restrictions.

The new Tier 3 restrictions mean that:

- You still cannot socialise indoors with people you don't live with, except for someone in your support bubble
- You can now meet in a group of up to six people in outdoor public spaces like parks, but don't hug or shake hands with anyone you don't live with!
- Shops, leisure centres, gyms, hairdressers, barbers and beauticians can open.

There is help for you and your family! And safe vaccines are rolling out so that we can look forward to a safer year in 2021.

Pendle Community Support Hub

Over 80 organisations can provide help via www.pendle.gov.uk/communitysupporthub including:

- Food shopping, prescriptions and support for people self-isolating
- Help tackling money & debt problems including advice if someone in your family has lost their job
- Help tackling depression & isolation including support for young people
- Help for people of all ages who are suffering from domestic abuse.

Cash payment schemes are there to help people who are having to self-isolate due to Covid-19. If your family needs this support visit www.pendle.gov.uk/coronavirus
