What a busy week we have had!

Do not forget to keep an eye on our school Facebook page and keep up with everything that we are doing in school.

As you know we are limiting the amount of items brought backwards and forwards between school and home. So, please be aware that most of our information is being emailed out to parents and we are asking for your reply or permission back to us via email too. Therefore, please can you keep an extra close eye on your emails for our ParentMail emails. If you have difficulty with ParentMail or do not currently receive emails from us please contact the school office.

When you are making appointments for your children; eg the dentist or eye test etc, please can I ask you to make them for out of school time and avoid registration times 9am and 1pm, as now more than ever their attendance is so important.

In school we have 2 pianos that are sat gathering dust and lost property! Unfortunately they are now looking for a new home. If anyone is interested please call the office.

Thank you for your continued support and understanding, Mrs Stinchon

We now understand that we are moving into the time of year when children start to catch colds and sniffles with sore throats too! If your child is unwell, we have asked that you call school to check your child's symptoms with us—just to be on the safe side. We appreciate that you know your child best and we know how difficult it can be to decide whether to send them into school or not.

Please find attached a guide for parents that you may find useful. I put it on the website and our school Facebook page yesterday.

If you have any questions or concerns about coronavirus, and the measures we have put in place, please contact the school office. We do appreciate your feedback and that we are all working together to keep our school community safe.

Congratulations to all our certificate winners last week!

Polite Request

In order for all parents to be able to move safely through the school yard and round the paths outside the school railings PLEASE can I ask that parents who are waiting with their child in the yard leave them as soon as possible when the class teacher comes out. Also if you are waiting above the KS2 yard please can I ask you to stand on the grass area whilst you wait so that others can walk past at a socially acceptable distance.

Polite Reminder

We have requested that only one parent drops off and collects their child from the yard—this does help with social distancing too and we are grateful for you all using the one way system. However, we are not allowing junior children to come down to the KS1/EYFS area at home time to meet parents. They will wait in their area on the KS2 yard for you to collect younger ones and then come up. In school they are in their year group bubble until they leave the school grounds. I appreciate that you are all trying to keep to our staggered start and finish times and I hope that if you have any questions or concerns that you will ask as I am sure together we can sort it out.

As you are aware, we are unable to mix class year group bubbles and therefore are not able to offer hot plated dinners at this time.

In an attempt to make the best of the situation we are able to offer a hot choice and a cold sandwich choice in the packed lunch dinner bag. We also still want the children to be able to choose what they would like to eat, as they always have in the past.

I know you will understand the kitchen has to order the food into school well in advance. Therefore, if your child is currently having a school dinner, your child will have brought home a letter and a “packed lunch” menu for the next 5 weeks. We would be grateful if you could ask your child to make their choice and then circle the option they would like for each day and return the completed sheet to school no later than **Wednesday 16th September.**

We know that some of the junior children are missing Jayne's cooked school dinners and we thank you for your understanding and cooperation.

We will be reviewing our lunchtime procedures for after half term. Thank you.
