Friday 14th May 2021

Once again it has been very busy here at Trawden school. It has been lovely to see all of the children enthusiastic and ready to learn each day. I think you will agree the weather this week has been extremely unpredictable! We have had sunshine, rain, hailstone, thunder and lightning all in one day! Therefore, I would politely ask that you ensure your child/children bring a suitable coat into school everyday, come rain or shine.

We would like to thank Fiona from Pendle Schools Sports Partnership for driving the minibus today. Our y6 children were able to go cycling in Barrowford thanks to the free transport. They had a blast!

Don't forget to check our Facebook page and website for up to date activities and information. Have a safe weekend and thank you, as always, for your continued support. Mrs Stinchon
