NEWSLETTER

Every child matters; every moment counts!

14th June 2019

Headteacher's Note:

'Time flies when you are having fun'. We are super busy in school and well into the Summer Term - not that you would know if you look out of the window!

Reception Class has been alive with wildlife this week - we have had tadpoles turning into frogs and all six fluffy ducklings have hatched. They are absolutely gorgeous and the staff have been as smitten as the children!

Reception Class also enjoyed their trip to Towneley Park in Burnley, the children loved the pond dipping and all behaved impeccably - well done.

It is Year 5's turn next week when they will embark on their residential outward bound experience to Coldwell Activity Centre. We hope they have an amazing time.

Have a lovely weekend and lets hope the weather picks up soon.

Thank you, as always, for your continued support.
