Operation Underpants Returns!

"We're not asking for money. We don't want the shirt off your back. We want pants!"

At this time of year, many families are beginning to think about Christmas. While you are buying presents and storing up food and drink to help celebrate this wonderful time of year, we are asking you to spare a thought for the young people of Lancashire who have no home to go to. Moving from one place to another, they often do not have the very basics such as clean underwear and sanitary products. We are asking you to think of them when you buy your shopping over the next month. Even if you only add one item from the NightSafe and SafeSpace Christmas lists and bring it to your local collection point, it will help to give our homeless young people the dignity they deserve
