Friday 17th July 2020—Headteacher's Note to Parents:

Well, what an unusual end to the year we have had!

We had our Year 6 leavers presentation on the playground, thankfully it remained fine, and we have had half the normal amount of children in school. However, we are looking forward to welcoming all of our children back into school in September. Please keep an eye on your emails for the information letter. I have also sent our uniform list and holiday dates for you to check too.

Good luck and our best wishes go to our wonderful Year 6 children who now begin their journey up to high school. We are looking forward to welcoming our new Reception children to Trawden in September and we are sure you will love our school as much as we do.

I hope you all have a lovely summer, whatever your plans may be during these unusual times!

Thank you for your continued understanding, patience and support!

Stay safe and take care,
Mrs Stinchon

Hello Reception.

Well children, it is time for my last message to you. Usually we would spend our last days as a class having fun together and making sure you are all excited about Year 1. This year things have been different but I have to say it has just proved what superstars you all are! Your positivity, resilience and ability to find the fun in everything has made me so proud. I have loved being able to peep inside your homes and see you learning with your families.

As sad as I am to see you move on I know you will thrive in Year 1 and show your new teachers just how amazing you are!

Enjoy the summer, stay safe, love life -

Mrs Alcock, Mr Lomax and Mrs McGowan.

GO VELO

We are delighted to invite any pupils to our FREE summer holiday sessions. We are providing: Learn to Ride, Level 1, 2 and 3 in Preston, Rossendale, Pendle and Lancaster. Pupils will need their own equipment; we are not able to lend any equipment and bicycles must be in working order. This year owing to Covid-19 conditions we are not able to handle equipment.

We are advertising our courses on the Go Velo website:

<https://www.govelo.co.uk/book-a-course/>

There is no cost for any of this training. All instructors are First Aid qualified and are DBS (CRB) checked and all of our training will be following government and industry guidelines.

Hello Year 1!

We can't believe we have come to the end of the year already! You have been absolute superstars this year and we are so proud of you. When we look back over the year there are so many things that make us smile. You had a great time making potions, you made biscuits using recipes from the time of the Great Fire of London and you had so much fun working with the history man. You were also part of the most amazing Nativity! One of our favourite memories is seeing you all dressed in your fantastic costumes for World Book Day.

It's such a shame that our year together was cut short but we have really enjoyed seeing what you have been up to on Seesaw and seeing some of you back in school in recent weeks. Have a wonderful summer and enjoy the break! We can't wait to see you back in school in September.

From, Mrs Smith, Mrs Beetham, Mrs Wiseman and Mrs Nelson

Hello Year 2,

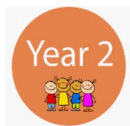

This has been a very strange year, where you have had to complete a lot of your learning from home and miss being at school with all of your friends. As we have made our way through this difficult times, you have all adapted really well to home learning on Seesaw and continued to produce some brilliant pieces of work.

We have REALLY enjoyed teaching you this year and seeing the progress you have made and we know that you will all continue to work super hard in Year 3. We are going to miss teaching each and every one of you! We hope that you have a wonderful holiday and spend everyday playing, having fun so you are ready to start work again in September.

Please make sure that you come back down to Year 2, so that you can have a chat with Miss Hart and I about your summer.

Take care, stay safe and remember to have fun!

Mr Loynds and Miss Hart

Hello Year Three,

Well, we have made it to the summer holidays after a very strange year. It feels like hardly any time has passed since I met you in September but yet here we are, at the end of another school year. You have all worked incredibly hard and should be really proud of what you have achieved, before lockdown and after.

I have loved being your teacher and feel sad that we had our time cut short but I'm looking forward to catching up with you when we come back to school in September.

You may feel a little bit nervous about coming back and that is completely normal but please don't worry, once you're back in school it will be like you have never been away.

Have a fantastic summer, you deserve it! Please stay safe, keep being helpful at home and keep being kind to your family. I'll see you in September! Make sure you come and visit me in year three from time to time.

Love from Miss Lambert and Miss Whittam.

Hi Year Five,

It is now the time to say goodbye to Year 5, and hello to Year 6!

Each and every one of you made a special, unique contribution to our time in Year Five, and it is so sad that this year was cut short. You were fantastic role models, and so many of you rose to the challenge of speaking at our Christmas Church service or performing at our instrumental assemblies. As well as that, you took on many roles and responsibilities across school such as being Digital Leaders or representing our school at many sporting events. You are ready for Year Six, regardless of the disruption we have all felt during these times of Coronavirus. In class, you worked tremendously hard from the moment you walked through the door. We had a fantastic time visiting the Community Shop, buying our ingredients and creating wonderful cakes back in school. Remembering all of your smiles during the (sneaky) park visit is a memory we will hold very dearly of you all. Do come back and tell us all about how you spent your summer, update us on your Year Six work and of course your predictions for Burnley's games next season!

We hope that you have a special, safe and happy summer with your family. We look forward to seeing you all back in school with all of your friends.

Take care from Mrs Dixon and Mrs Stansfield

Hello Year 4,

Mrs Whittaker and I have really enjoyed teaching you this year. It has been amazing to see that you've learnt so much more and developed your wonderful personalities since Year 2.

In our eyes, you are all stars and it's a shame that we couldn't have a longer time together. However, you have had an opportunity to spend time with your family and complete your learning in a different way.

We will miss you and hope that you continue to work hard in Year 5. Enjoy Year 5; it will be a new adventure for you but also an exciting one. Make the most of every opportunity and we look forward to seeing you grow in stature and in character as you move through Year 5.

Have a fabulous summer holiday.

Be safe, be kind and be the best that you can be!

Love from Mrs Atkinson & Mrs Whittaker

Dear Year 6,

I remember when we first met: for most of you this was seven years ago! I visited you in your homes to meet you and welcome you to our wonderful school for the first time: you were just 4 years old. I visited you in nursery too and read you a story. Even at such a young age, your personalities shone through: you are all individual, unique and special and we have grown to love you just as you are. For some of you, you have joined the Trawden family later on and you have become a special part of our team, helping to make it complete.

I can hardly believe that we are at the end of the year already and what a year it has been! We have laughed together, learned together and sometimes even cried together (tears of laughter!). We've shared stories: mostly funny some scary and a few even sad, we've shared cakes and we've even shared tissues (haven't we Charlie!) We have learned that to be successful takes effort and belief that making mistakes can be a positive learning experience. After all, it was Albert Einstein who said, 'A person who never made a mistake, never tried anything new.'

So as you venture forward to High School, and leave our little school behind, try something new, take risks, get involved in clubs and develop your hobbies, pursue your dreams and be kind to yourself. Remember 'carpe deum' – seize the day!

We all hope that you take with you all that you have learned here at Trawden through the years and the values we stand for.

Let honesty be your compass, equality your map and compassion your guide. Take courage to stand with those who are less fortunate than yourself and speak up for those who feel they have no voice and you will make a difference. We can't all be great in the eyes of the world, but we can all do the simplest of things with great love and as I am sure many of us have realised over the last few months, it is the simplest things in life that often mean the most. So as one chapter ends, another begins and as September draws near, we will be thinking of you and wishing you all the very best. We look forward to hearing how you have settled in, made lots of new friends and how you are enjoying new learning.

So all the best Team! Good luck, bonne chance, Buena suerte, benediximus!

Let the adventure begin!

Love from Mrs Clark, Mrs Bottomley and Miss Gallagher
