Friday 19th March 2021

Another week has flown by here at Trawden School. All children and staff have definitely got back into the swing of things! It's great to see everyone back in their classrooms learning and also catching up with their friends.

A big thank you to all the children who took part in this year's Science Fair. Mr Loynds and two volunteers have had the very difficult task of choosing this year's winner. May I say how impressed I was by all the hard work you put into your fantastic "experiments", they were amazing! The results of the competition can be found on this week's newsletter.

Please may I politely remind all parents and carers to adhere to the social distancing rules within the school playground and only **ONE** adult to come when dropping/picking up their child/children.

Thank you for your continued support. Take care,
Mrs L Stinchon

LET'S CELEBRATE!
