Friday 20th May 2022

What a busy few weeks it has been!

May I start by saying a BIG well done to all our Year 6 children for their fantastic attitude and hard work during their SATS week. Myself and Mrs Clarke were very proud of the way in which you all conducted yourselves.

Year 2 have also been amazing whilst completing their SATs this week - well done for all your hard work - you are now all qualified "super agents!"

Year 5 brushed up on their bike skills with Go Velo, and showed great resilience and determination which was fantastic to see.

I am happy to announce that our baby ducklings are thriving in Reception Class, it was very exciting to see them all hatch! Mrs Alcock was able to catch the special moment on the I Pad for those who missed it. We also had a baby lamb visit our Year 4 and Reception class on Monday and the children were able to take turns in feeding her and asked lots of very interesting questions.

If you find yourself with some spare time on your hands tomorrow - Saturday - please come and join us on the school field ANYTIME BETWEEN 9.30am-4.00pm as more hands make light work!

We finish next Friday at 3.30pm for half term and return on **Tuesday 7th June** and I hope you all have a fabulous break!

Thank you for your continued support, Mrs Stinchon

TRAWDEN'S MONTH OF READING

Thank you for your tremendous support during our Month of Reading.

Within school, the librarians have;

- *Held a launch event assembly with Wendy from Usborne Books
- *Held a sponsored reading event
- *Set up the lunchtime 'suitcase of books' so that children can read for pleasure
- *Enjoyed precious time reading with adults, with a friend or independently in school
- *Celebrated reading achievement (individual and class wide) across school during celebration assemblies
- *Worked with Lancashire Libraries to rejuvenate each class's library area
- *Held a whole school book fair

Your attendance at this week's book fairs have meant that we have qualified for the 60% off books through Usborne which our sponsorship money (plus the amount matched by our PTFA) will pay for. We are totting up all of the money as we speak ready for Monday when Wendy comes in to work with our librarians and collect. If you have any sponsorship money, please bring it into the office so that it can count towards the grand total. All of the orders will be processed together, so as soon as they arrive in school, we will let you know.

It has been so special to celebrate our love of reading this half term. We can't wait to see how we top it next year! Keeeeeep reading!

Your School Lottery raises much needed funds for our PTFA. We really appreciate all our supporters but we would love more!

If you would to support our PTFA and be in with a chance of winning, please visit;

Well done to Year 5 last week and Year 3 this week for the highest attendance!

Well done to Noah Nutter for his winning Poem!

Monster "Shout Out" awards go to: Caleb and Poppy L

Goodbye!

Last Friday we said Goodbye to Mrs Mitchell from our Forest Friends After school club.

The pupils and staff would like to thank you again for all your hard work over the years and we wish you all best on your new venture! You will be missed!

Clothing Donation

We will be collecting again for 'bags 2 school' in June, so please keep any old clothing you may no longer need or use. This is a unique way for our school to help families less fortunate than us!

THE SPORTS CORNER

This week we have taken part in a cross-country tournament as well as a cricket competition. On Tuesday, Year 5 and 6 children went to Holt House playing fields where they competed against other schools in a 1.3

mile race. The children did incredibly well and ran the whole distance – including a sprint finish for some! We are delighted that two of our children managed to get through to the next round of the competition – well done to Kara and Jonathan!

Today's cricket competition was a delightful experience and was a new experience for some children. The children played in three matches and were very spirited and successful, with them all looking forward to future cricket events.

Next week will see the return of girls netball, which we are really looking forward to!

The Queens Jubilee week

Plans are well underway for us to celebrate the Queen's platinum jubilee - it is a truly momentous occasion that will more than likely never happen again, certainly not in our lifetime!

The children will be taking part in lots of learning activities during the week, such as; looking at each decade of the queen's reign and significant events that have happened in the last 70 years, creating portraits of the queen in art, learning about the national anthem in music and lots of other relevant learning.

At the end of the week (Friday 27th May) children are invited to wear red, white and blue and we will be having a day of celebration, with Street Party lunch, dancing, games and the queen herself will be on hand for selfies - probably not in the flesh, but she will be here all the same! What a fabulous way to end our half term!
