Thursday 21st October 2021

Wow! What an enormously busy and enjoyable first half term we have had. Your children came back to school in September (in new green uniform, thank you) full of energy and enthusiasm. I am sure that after everything we have packed in to this 8 weeks they are ready for a well deserved rest.

I hope that all parents/carers had a positive parent's evening phone call and heard the great progress your children are making.

We have used our new outdoor classroom well in our fabulous forest school area and now we are looking forward to our new poly tunnel! We are very lucky to have this amazing area to enable us to add on this skills based learning to our personalised curriculum.

The children have had a very positive start to the sporting calendar and we look forward to many events to come.

I hope that you all have a restful and safe half term with your family. I look forward to seeing everyone back in school fit and well on Monday 1st November.

Thank you for your continued support,
Mrs Stinchon

SUCCESS!!!!!!

Grant for our own poly tunnel

Last month school applied to Pendle Borough Council through their Pendle's Climate Action Small Grants programme for some funding. This was to go towards a poly tunnel for us to be able to grow plants, herbs and vegetables without the rabbits eating them all and in turn support climate change.

TRAWDEN SPORTS NEWS

We have had a very exciting half-term with lots of sporting events taking place in and out school.

ProSport have been fabulous all half term providing high quality invasion games and high energy dance for our PE curriculum.

We've also had amazing afterschool multi-skills (dodgeball, football, netball and handball) as well as a chilled out yoga session – look out for next half terms afterschool clubs – acro and archery! Boxing club has also proved to be really popular as have the Karate sessions. It has been wonderful to be able to see the children enjoying sport together again.

In addition to this we have participated in events out of school. Some Key Stage 2 children were lucky enough to go to two events run by Pendle Sports Partnership to participate in inter-school multi-skills events – they had a fantastic time.

We have also finally had some inter school competitions back. Our year 5s and 6s have taken part in inter-school netball and football seeding events: they loved being out competing and were a credit to Trawden Forest. We can't wait for more next half term.

Our incredibly exciting news comes from year 4, who have benefited from the expertise of a professional rugby coach from Nelson and Colne Rugby Club.

They received 5 superb sessions in school before some of the class took part in a sunny, but muddy tournament.

All the children were fantastic sporting role models and played superbly. The winning try (scored by Mason) came in extra time. After many phases, Trawden secured the victory with a dive over the line! A wonderful way to end the half term.

THANK YOU

Thank you to everyone who came to shop at our Christmas Extravaganza - I hope that you enjoyed it as much as we did.

Thank you to all of the stall holders for coming and for their donation of a raffle prize.

Thank you to Lakeside Café for rescuing us by donating a voucher for TEA FOR TWO

Thank you to Mrs Smith for donating your school lottery winnings back to school, we really appreciate it. Don't forget you have to be in it to win it! If you need any information contact the school office.

Finally, thank you to our very hard working PTFA - without them these events would not be possible.

Don't forget to keep up to date with all the amazing things we do by visiting our Facebook page and website!
