Friday 22nd April 2022

May I wish you all a warm welcome back to school. I hope you all had a restful Easter break. It has been lovely to see all the children back in school and ready to learn. We have a busy term coming up and this week you receive a separate class newsletter, where you will find updated information for each class and their learning to be covered this half term. As always, letters and important information will be emailed out to you via 'Parentmail'. Please check your school emails regularly, as we will continue to keep you as updated as we can.

We were excited to receive confirmation, this week, of our new Reception children starting in September. It is always lovely to welcome new children into school but also bittersweet that we will soon be waving goodbye to our Year 6 children! Having said that, the children in Year 6 have a particularly busy summer term coming up, we wish them good luck in their upcoming SATs tests, we know you are all working really hard - well done!

Our school field has been a hub of activity over the Easter holidays as we have been getting ready for planting during this new term. Thank you to LBS for their generous donation of a ground cover, which has helped us to get things started.

Thank you to everyone who took part in Earth Day this week, you managed to raise a fabulous £170.00 which will help go towards new recycling bins in school and litter pickers for our Eco Warriors. May I also say a big thank you to Jayne our school cook for providing a delicious meat free lunch for the occasion.

Thank you, as always, for your continued support,

Mrs Stinchon

Thank you to Mrs J Lomax & Mrs Stinchon who have kindly donated their lottery winnings back to school.

A BIG thank you to everyone who took part in the Bunny Hop this year. You managed to raise an amazing £219.65 for Pendleside Hospice. Well done to all the children for their amazing stamina and energy!

Please help your school!

We mentioned on the previous newsletter that we are hoping to recruit lots of lovely parents and carers to help us do some work on our school field on Saturday 21st May. Any amount of time you can give between 9.30am and 4pm would be very much appreciated. If you can help, please could you drop us an email, (bursar@trawden.lancs.sch.uk) or give us a ring (01282 865242) to let us know that you will be joining us

- Thanks very much!

Thank you very much!

LBS Horticultural Supplies, Cotton Tree Lane, Colne have kindly donated a ground cover to the value of £130.00 towards our Forest School. This will help immensely towards getting ready for our planting! If you wish to take part in your own planting & growing, LBS have kindly offered all parents and carers of Trawden Forest Primary School 10% off all purchases - please call in to their store and use the discount code below, happy shopping!

This half term we are thrilled to be holding a 'Month of Reading' event across school in conjunction with Wendy Pollard, our local Usbourne Books Representative. We want to develop a real buzz about reading across the school, and will be exploring lots of ways to do so. Our team of librarians have come up with lots of ideas, including book cafes, introducing our 'reading suitcase' to lunchtimes, a range of competitions and having reading buddy sessions to encourage anyone and everyone to pick up a book and read. In addition, the librarians wish to develop our library by selecting fresh, interesting and inspiring books for everyone to read. With this in mind, we have decided to hold a sponsored reading event. Your child should read for as long as they can in school and at home, jot down how many minutes on the reading log form across the week, and collect sponsorship to add to our school total. If you are able to donate, any amount however small or large, please do as every penny will go towards buying new books for schools. Please see the accompanying letter and the list of dates below for just some of the amazing activities happening within school.

Our little library, which is on the KS2 yard, will be open once again every Monday and Thursday after school for you and your child to borrow books and enjoy the gift of reading.

Our librarians are underway writing letters to local companies to ask for their support and will do a superb job this half term. If you would like to help, which could be in money, time or ideas, please get in touch with the office or Mrs Dixon as many hands make light work!

We need your help!

If you have any preloved books which are gathering dust on a shelf or your child has grown out of, please consider sending them in to our school for a new lease of life! Either drop them off at our office or your child may bring them to Mrs Dixon's Year 5 class. Our librarians will take the lead and organise your wonderful books into either our 'book suitcase' or our library. Alternatively, pop your spare books into our little library so that they can find a brand new home.
