Thank you to all the families who are now working on line from home via seesaw. We appreciate your support.

This is a fabulous way to keep in contact with the children and support their home learning.

There are still some families that we have not been able to contact but we will continue to try and then support you in any way we can.

Keep up the fabulous learning and activities until we are able to meet again.

## Headteacher's Note:

WOW! How hard you must have been working at home.

As you can see by the numbers above there has been a very positive response to the first week of working on seesaw, our online home-learning system.

The class teachers have seen some amazing learning and look forward to much more next week. Thank you parents for your support and understanding during this time.

Kind regards, Mrs Stinchon  
head@trawden.lancs.sch.uk

Hello Year One,

We hope you are all doing well. We are missing you but love hearing your voices and seeing your photos

and videos on Seesaw. We are really proud of how hard you are working and how much effort you are putting into the tasks so keep it up! We're happy to see that so many of you are also enjoying lots of time in your gardens, riding your bikes and doing other exciting things with your families. Try to enjoy this time together as much as you can (this includes being nice to your parents and siblings!). We're looking forward to seeing what you get up to next week. Take care everyone.

Mrs Beetham, Mrs Wiseman and Mrs Nelson  
gbeetham@trawden.lancs.sch.uk  
kwiseman@trawden.lancs.sch.uk

Oh my word, Reception!

What a clever, creative group you are! With all the sea creatures I have seen, I thought I was in a submarine!

No evil peas will be free to do naughty tricks with all your traps around and we have so many expert bakers we can open a cake shop!

Well done everyone! Next week we have some pirate fun to look forward to and all about chickens.

Keep posting your photos and videos on Tapestry.

Miss you, stay safe, stay happy,  
Mrs Alcock Mrs McGowan and Mr Lomax  
calcock@trawden.lancs.sch.uk

Hello year three,

I hope you had a lovely Easter break in the sunshine. Many of you have started this week with such a thirst for learning and I have been blown away with how much work you have been doing. In just one week, Year 3 have uploaded 359 items to Seesaw!

How amazing is that? I know some people have found it a little tricky to use and that's okay, it's something new for all of us so we're bound to get a little stuck sometimes. It has been so lovely to hear your voices and your smiling pictures in your Easter selfies.

This half term our science topic is plants and so I will be setting some tasks in the coming weeks that involve planting seeds. If you could ask mum or dad to buy a pack of runner bean seeds when they next do their weekly shop that would be fantastic. Don't worry if you don't have the resources to do this, I can send you videos to show you the processes but it would be amazing if you could what was happening for yourself.

If you are having any problems with your learning then please ask mum or dad to let me know through Seesaw, email ([blambert@trawden.lancs.uk](mailto:blambert@trawden.lancs.uk)) or by ringing the school.

Keep working hard and take care,

Miss Lambert. [blambert@trawden.lancs.sch.uk](mailto:blambert@trawden.lancs.sch.uk)

Hello Year Five,

I hope this note finds you all well. Haven't we been lucky with the weather?

I hope you have had chance to get outside into the garden, or used your daily exercise to go out and enjoy this beautiful springtime. I know that some of you have been out making dens, building gardens and riding your bikes. I also know that so many of you have been busy getting to grips with Seesaw to continue with your learning. At the time of writing this, 257 items have been posted within the journals.

That is a phenomenal amount for the first week, so well done Year Five!

You are doing a fabulous job and it has been encouraging to see photos, hear sound clips and read all of your work. Keep going, we're all learning how to do this together, and I look forward to seeing what next week brings. Have a great weekend everybody.

From Mrs Dixon and Mrs Stansfield

## PARENTS/CARERS – ROCK KIDZ ARE LOOKING FOR CHILDREN TO FEATURE IN THEIR NEXT MUSIC VIDEO

Rock Kidz who previously visited our school are looking for children across the country between the ages of 4 and 11 to be part of their

brand new music video 'Stronger Together'. Clips of children will be recorded from home and compiled by Rock Kidz who will produce a professional music video and release it across their social media platforms. All you'll need is a smart phone with a decent camera/video camera/DSLR camera and instructions will be sent out to successful applicants on what to do.

If this is something that you'd like your child to be part of then visit [www.rockkidz.org.uk/musicvideo](http://www.rockkidz.org.uk/musicvideo) and submit the online form.

If you have any questions please email [info@rockkidz.org.uk](mailto:info@rockkidz.org.uk)

The deadline for applications is **30th April 2020**.

## Year 2

What a great start to the first week of home learning with Seesaw! I know many of you read the student announcement I sent yesterday, but since Monday I have now approved over 400 posts and 170 comments. You are all working exceptionally hard and I am really impressed with everyone who has managed to complete many of the activities. I have loved reading your writing, seeing your Maths, listening to you explain / read your work and watching your videos! A special thank you to all the adults who were interviewed and recorded for the Maths activity. I think my favourite activity to see was all the baking and cooking you have been doing at home for our Bucket List. Every time I saw your creations I became super hungry and wished I could eat what you had made... Yum!  
Have a rest this weekend, you deserve it!  
My Loynds and Miss Hart  
sloynds@trawden.lancs.sch.uk

## Year 6

Hello Year 6, I hope you are all well and keeping safe and that by now, you are into a routine with Home Learning using Seesaw. I have been so impressed with the work many of you have already completed and 'posted' to me and I hope you are enjoying learning about William Shakespeare and some of his plays. Next week's work on Seesaw is going to be a bit 'Magical' so make sure you don't miss it! Thank you,  
Mrs Clark and Mrs Bottomley  
cclark@trawden.lancs.sch.uk

Hello again Year 4,

Welcome back to your learning after the Easter break. It's wonderful that we are able to experience this warm, sunny weather. I hope that you are all still well and are managing to get some exercise once a day and close to home to burn off some of your energy!

Many of you are working extremely hard at you Seesaw learning and I have particularly enjoyed hearing your voices and seeing your faces in your responses.

Mrs Whittaker and I are missing you all but hope that you are staying safe, working hard, enjoying some different activities with your family and being kind to each other.

See you soon, Love from Mrs Atkinson and Mrs Whittaker  
katkinson@trawden.lancs.sch.uk

## Year 4

there's NO "right"  
way to get through  
these weird times.  
Do what works  
FOR YOU ❤️

Lottery - A supporter has donated their winnings! We wanted to let you know that Mrs D has just generously donated £15.00 in winnings to your school! Thank you x

### Coronavirus (COVID-19): what you need to do

#### Stay at home

- Only go outside for food, health reasons or work (but only if you cannot work from home)
- If you go out, stay 2 metres (6ft) away from other people at all times
- Wash your hands as soon as you get home

Do not meet others, even friends or family. You can spread the virus even if you don't have symptoms.
