Friday 24th June 2022

It has been a very busy couple of weeks here at Trawden. Our Year 1 children had an amazing time at Thornton Hall Farm last week and were blessed with some lovely weather too.

Year 5 had their residential trip to Coldwell this week, where they took part in lots of fun packed activities including archery and laser quest. Both pupils and staff all looked extremely hot and tired at pick up time on Thursday, however it was well worth it!

Year 5 also experienced a taster day at Park High School on Friday, we hope you all enjoyed the experience.

Some of our year 6 children also visited Park High this week for their transition up to High school in September, we hope you all had a great time and feel ready for your new adventure!

This week our school Eco warriors visited Blackburn Football Club to find out different ways we can help save our planet. Our environment is under threat daily and our warriors have come up with some great ideas to help tackle climate change.

May I also politely ask that children do not bring their sun glasses into school. Unfortunately some children have lost or broken their sunglasses and this has caused some upset. Baseball hats can be worn and are more protective during the warm, sunny days.

It is our "Sports Week" next week with many different events planned - please see the information on the back of this newsletter and the letter and form the children will be bringing home today.

Thank you for your continued support and I hope you have a lovely weekend, Mrs Stinchon
