## Friday 25th February 2022

A BIG welcome back to everyone. I hope you all had a restful half term and feel refreshed and energized after your short break. There are lots of important dates to put in your calendar during this term, so please keep up to date with our fortnightly newsletters and check Parentmail for any important updates. May I also remind you to book your face to face appointment for Parents evening, if you have not already done so. Next Thursday will be World book day, please do not feel as though you have to buy any costumes purposely for this, as home made costumes or props can be just as amazing and effective.

Thank you for your continued support

Mrs Stinchon

## **COVID 19 update;**

With effect from the 24th February, the Government have removed the **legal requirement** to self isolate if you test positive for COVID 19.

This does not actually change anything with regards to pupils testing positive. We still require children to isolate for 5 days (if they test negative on days 5 & 6 they may return to school on day 6) The day of the test or symptoms starting is day zero. Please contact school if you have any questions and we will try and help! Thank you.

Thank you to Ms Slater & Mr Loynds who has kindly donated his lottery winnings back to school. If you would like to be in with a chance of winning please visit;

**Sadly we will be saying goodbye to Mrs Stevenson this week.**

Mrs Stevenson will be greatly missed by staff and children alike at lunchtimes. However don't worry, as you will be able to see her in the playground, when she brings Luke and Rebecca into school! Mrs Stevenson has also done an amazing job as PTFA Chair, raising funds for our school. These funds have enabled us to provide much needed provisions for our children here at Trawden. We would like to say **THANK YOU** for all your hard work, in your many roles at Trawden School. And we wish you all the very best!

### Please label your uniform!

Please may I politely ask that you place your child/children's name in their school uniform. By doing this small task it will enable staff and children to locate any missing uniform that may have been misplaced. Thank you.

## LET'S CELEBRATE!

### Donations needed for Forest School

We are looking to improve our building resources and our mud kitchen in Forest school. Therefore we are asking for donations of old bun tins, mixing spoons, cutlery, metal/plastic containers or bowls. We are also looking for logs/stumps of any size. Please contact school if you can help. Thank you.

# Trawden Forest Primary School's Science Fair 2022

Friday 18th March

KS1: 9:30am—11:00am

KS2: 1:30pm—3:00pm

Theme: Growth

You can choose any topic linked to any aspect of growth, this could include buildings, eco-friendly behaviours, animals or even how we can grow plants on Mars!

Your project should be completed at **home** then brought in to school to show and be judged on Friday 18th March.

Adult Judges - Would you like to help judge our Science Fair? If so, please contact the School Office by Friday 11th March.

## World Book Day 2022 'You are a reader!'

It's fast approaching! World Book Day – Thursday 3rd March – and this 25th year's theme is 'You are a reader'.

We will be talking about books, sharing recommendations and amazing stories all day.

### ALL CHILDREN CAN:

- Dress as a character from a favourite story book
- Bring the story that matches their outfit or another wonderful book they would like to share
- Bring a cushion or pillow to allow them to 'get comfy' with their book as part of their classroom activities

We will be awarding special prizes for the best/most creative/unusual outfits. The best isn't necessarily bought; home-made or well put together costumes can often be the most effective.

We will have a range of exciting activities going on throughout the day, including a special assembly, a reading café in the library, lunchtime quizzes and games organised and led by our librarians. We can't wait to put our love of reading at the heart of our World Book Day.
