Friday 26th February 2021

Welcome back to all our keyworker children. I hope everyone had a restful break and enjoyed some family time away from home learning! Following the Government's announcement on Monday evening, we will be welcoming back all of our children on Monday 8th March. A letter will be sent out to all parents/carers next week containing important information regarding school guidelines and staggered start/finish times. Please look out for this on ParentMail. I hope everyone has been busy preparing for the Science Fair, I know Mr Loynds has! I am very much looking forward to seeing everyone's amazing work. Also, please see all the activities Mrs Dixon has planned for World Book Day next week - it will be fun!

Thank you, as always, for your continued support.

Mrs Stinchon

Thank you very much for your kind clothes donations last term.

We are collecting again.

If you are having a sort out at home please save your donations for us. Please leave them in the covered garage on our car park tied up tight in waterproof bags.

"Friday Free For All"

Fridays are still Free!

- until all children are back in school!

Have you already planned the activities that you are going to do together? Will you be walking? Baking? Painting? Building? Drawing? Playing?

Whatever the activity is please upload some pictures to Seesaw, if you would like us to see what you have enjoyed doing.

Please don't forget to join your class zoom celebration session on Friday too. Remember the codes have changed too. Have fun!

Trawden Forest Science Fair 2021

Videos need to be submitted on Seesaw by
Thursday 11th March.

Judges will evaluate all entries (in key stages) on
Friday 12th March.

Science Fair entry:- children must complete a test, survey, or experiment using something that will benefit the planet in the future i.e. forces, weather, animals, environment, health. They should ensure they are interested as it could take many days to complete. This is a home project, therefore it will need to all be completed out of school before our Science Fair.

Theme: Innovating for the Future

You can choose any topic linked to something that will benefit the planet in the future i.e. forces, weather, animals, environment, health, etc. to complete your investigation.

Your project should be completed at home.

Adult Judges - Would you like to help judge our Science Fair? If so, please contact the School Office by Friday 5th March.

World Book Day 2021 Thursday 4th March

World Book Day is coming and as with everything, we're doing things a little bit differently this year. We will be 'Sharing a story' with the children at home and at school, within our class Zoom sessions and there will also be additional extra special teacher Zoom reading sessions too! So, despite us currently being apart we can still all come together to enjoy our love of stories as the theme this year is...

SHARE A STORY, ANYTIME, ANYWHERE!

Therefore, our focus is on sharing a story with each other (not dressing up).

Did you know that 'reading for pleasure is the single biggest indicator for success in life, more than family circumstances, educational background, or income' (source:- Organisation for Economic Co-operation & Development)?

'Get Caught Reading' competition:- Reading for pleasure can happen anywhere, anytime. It's just about finding the right book, graphic novel, audio book or digital book, finding a lovely spot to read and getting on with it. That's why we are also holding a 'Get Caught Reading' competition. Check out your child's Seesaw activity to see how to get involved.

Sharing a story Zoom times:- Each class teacher has organised lots of exciting activities for you to complete at home for World Book Day. In addition to your class Zoom times, each class teacher will be sharing an exciting story. Join in to the Zoom of your choice to share a story with your chosen teacher - or join in them all!

We will inform you the Zoom codes for each teacher and give you a clue as to what each teacher will be reading on our school website and Facebook page.... Keep your eyes peeled for some 'Masked Readers'!

Here is the 'starring line up', and in brackets is the key stage the story is most appropriate for!

9:00 – 9:30 – Mrs Stinchon's welcome – suitable for everyone!

9:30 – 10:00 – Mrs Lambert (UKS2)

10:30-11:00 - JUST IMAGINE - Whole School Zoom - an exciting interactive session, suitable for everyone, where story characters come to life! (live session led by "Just Imagine Theatre Group" - <https://www.jiuk.co.uk/>)

11:00 - 11:30 – Mrs Dixon (KS1)

11.30 - 12:00 – Mrs Smith (KS1)

1:00- 1:30 – Mrs Atkinson (KS2)

1:30 – 2:00 – Mr Loynds (Lower KS2)

2:00– 2:30 – Mrs Clark (KS2)

2:30 – 3:00– Mrs Alcock (Lower KS2)

<https://www.worldbookday.com/show-your-shares/> to join in with competitions all month to win a £100 family National Book Token.

£1 book tokens for each child to exchange for a book will be given to you all on Monday 8th March.

Have fun and enjoy your day,
from Mrs Dixon x

Post your photo onto the Seesaw activity to be in with a chance to win wonderful new books to read!

We would love to use your photos for a display within school when we return.

GET CAUGHT READING CHALLENGE!

Where could you get caught reading?
