Every child matters, every moment counts!

Issue 22

Friday 27th April 2018

Headteacher's Note:

I would just like to say how thrilled I am to have been appointed as the permanent Headteacher of Trawden Forest Primary School and look forward to continuing here in September. I am looking forward to working with parents, children, staff, governors and locality in taking the school forward on our journey to becoming an outstanding learning community.

Thank you for your continued support and cooperation, Mrs L Stinchon

We are very excited to be involved in the Woodland Trust's Green Tree Schools Award.

This award recognises involvement in a wide range of environmental activities, including tree planting, reducing carbon emissions and recycling.

We will earn points by completing various projects and challenges that will see us progress through bronze, silver and gold levels to the prestigious platinum award!

Our school is currently working hard towards the bronze award and you can help us to achieve this!

A scheme for recycling your old batteries and inkjet cartridges has been set up by Reception Class.

To get involved in this project, please send these items into school for us to recycle and turn into points!

Caterpillar Capers!

Class 2 are the proud owners of five tiny caterpillars. Over the next few weeks, we will

watch them grow and notice how they change as part of our science work about animals. They are already much bigger in almost a week! The food that they need is in the bottom of the jar and we look forward to watching them grow.

Hopefully, we will be able to release them once they turn into beautiful

butterflies. Keep watching and we will keep you posted!
