

# TRAWDEN FOREST PRIMARY SCHOOL

## NEWSLETTER

*Every child matters; every moment counts!*

Friday 27th September 2019

### Headteacher's Note:

Thank you so much to everyone who came to our Macmillan coffee morning.

It was wonderful to see so many people taking part and so many delicious cakes! Thank you for your generosity of cakes and donations—we will let you know the total raised on Monday.

Our PTFA are getting stronger and stronger, thank you to everyone for their effort and ideas. We are currently holding different events in school as we are raising funds for our own stage! As you can understand this is a challenge and we appreciate all the support at our events

Parking is not easy—please drive carefully up and down Dean Street and be aware that there are parents and children on the pavements and between cars waiting to cross. I have contacted parking officers at LCC and the local police to help monitor this situation.

Finally, a reminder that children are not permitted to play on the play equipment on the yard before or after school as we can take no responsibility if there was an accident.

Thank you for your continued support, Mrs L Stinchon

### PARENT GOVERNOR POSITION

**Parent governors** play a vital **role** on governing bodies, holding the unique position of having a parental viewpoint of the school.

**Governors** set the aims and objectives for the **school** and set the policies and targets for achieving those aims and objectives. They monitor and evaluate the progress the **school** is making and act as a source of challenge and support to the Head teacher.

The qualities and skills that governors need:

- a strong commitment to the role and this includes dedicating your time regularly during each the school term and throughout the year to carrying out your duties
- a strong commitment to making sure there are high aspirations for the all the children in your school and a commitment to achieving the best possible outcomes for all the pupils
- to be naturally inquisitive and have the ability to question and analyse, and a willingness to learn
- good inter-personal skills
- The skills to understand the particular ethos of the school and its implications for the way it is governed.

**If you are interested in becoming a parent governor please contact Mrs Stinchon on MONDAY.**
