

Bucket List - Year 2

Meet an Explorer

Curriculum Link:

To develop contextual knowledge of the location of globally significant places – both terrestrial and marine – including their defining physical and human characteristics and how these provide a geographical context for understanding the actions of processes.

Explore the Woods

Curriculum Link:

To use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.

Walk around Trawden

Curriculum Link:

To discover changes within living memory. Where appropriate, these should be used to reveal aspects of change in national life.

To use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment.

Cook or Bake Something

Curriculum

To use the basic principles of a healthy and varied diet to prepare dishes.

Link:

Have a Pirate Day

Curriculum Link:

To learn about events beyond living memory that are significant nationally or globally.

Make a Catapult

Curriculum Link:

To design purposeful, functional, appealing products for themselves and other users based on design criteria.
