NEWSLETTER

Every child matters, every moment counts!

Issue 13

Friday 2nd February 2018

Headteacher's Note:

Class 5 are leading the assembly on Friday 9th February at 2.30pm for their parents and all of the other children. This will celebrate the end of their topic this half term. We look forward to seeing as many parents as possible, although we do appreciate that many of you work.

Please do not forget it is Parents' Evening on Monday and Tuesday next week (Monday and Wednesday for Y1) the appointment booking on ParentMail has now closed. If you have not been able to make an appointment or need to change one please give Mrs Valentine a call in the office and she will be happy to help you.

Thank you for your continued support, Mrs L J Stinchon

The internet is amazing.

Children can play, learn, create and connect - opening up a whole world of exciting possibilities. But with the digital world changing all the time, how can you

make sure your child's staying safe?

Tuesday 6th February is Internet Safety Day, we are having an Online Safety Week in school. This is to help raise the awareness of keeping our children safe online. Children today have access to many devices that connect to the internet that it is something that in school we discuss with children daily. There is some very useful information for parents on how to keep their children safe in this every changing world on our website and...

www.internetmatters.org

A recent newspaper article said...

"Parents are being warned about keeping their children safe online after concerns were raised about an app millions of young children use. Roblox is a popular multiplayer game that allows users to design their own games, play different games and has been called the new Minecraft. It has more than 30 million players - who are supposed to be aged between eight and 12.

But concerns have been raised about children being approached by strangers online and receiving inappropriate messages with characters doing "very adult things" in the virtual world."

We know a large number of pupils will be using this app, as well as many others, and it is our joint responsibility to raise awareness and keep children safe!

Punctuality is an important element of school attendance.

Pupils who arrive late to school can disrupt the early morning routines of a school and often struggle to settle into their daily routine.

The school day starts at **9.00am** and we expect your child to be in class at that time. The afternoon session starts at **1.00pm** and again, prompt attendance is expected.

Registers are marked by **9.05am/1.05pm** and your child will receive a late mark if they are not in by that time.

At **9.30am/1.15pm** the registers will be closed. In accordance with regulation, if your child arrives after that time they will receive a mark that shows them to be on site, but this will **not** count as a present mark and it will mean they have an unauthorised absence. This may mean that you could face the possibility of a penalty notice if the problem persists.

If your child has a persistent late record you will be asked to meet with the headteacher and/or a member of the management team to resolve the problem, but you can approach us at any time if you are having problems getting your child to school on time.

This is part of our Attendance Policy that has been adopted from Lancashire County Council by our Governing body and can be found on our website.

Thank you for your support and cooperation in this important matter.

Dates for your diary

Monday 5th February 3.40-6pm and

Tuesday 6th February 5.30-8pm

Parents Evening for Years R,2,3,4,5,6

Monday 5th February 3.40-6pm and

School finishes for 1/2 term
at 3.30pm

Monday 19th February

School starts—doors open at 8.50am

Thursday 22nd February 6pm

Parents meeting for Y6 residential trip to
Robinwood Activity Centre

Forest School is a
fabulous resource at
our school!

It provides regular opportunities for children to be in an outdoors woodland environment. It allows all learners to achieve and develop skills of self-esteem and confidence. Within this, all children will be treated as equal, be allowed to explore and discover for themselves, take appropriate risks (through fire lighting, tree climbing and tool use), seek challenge, solve problems, co-operate with others and experience regular success. Through this, they will develop positive relationships both with others and the natural world and develop their personal potential. This half term Yrs 2, 5 and EYFS have thoroughly enjoyed this way of learning. Next half term Yrs 1, 2, 4 and EYFS will have a turn!

A Day in the Life of a Y3 Trawden Child

9:00 We had silent reading for a bit whilst Mr Loynds (the best teacher ever) did the dinner and name register. Then we went to assembly for a while and in assembly we did the certificates and Evie's funny homework. She made a rock of Mr Loynds. Next we went upstairs to get 3 people to hand out the Maths books.

9:30 We started Maths and I find Maths quite challenging for me anyway. Ben's table finds it easy even $5009 + 1000$. Today we found out how to read scales in a Maths book. I found it complicated.

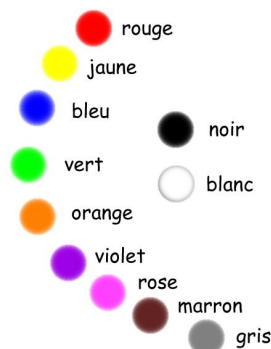

10:30 We went out to play and I played on the monkey bars (I have just learnt how to reach them everyone said "well done").

11:00 We wrote our stories about cavemen. My story was called 'Hazel of the Cave' and Hazel was found by Nicholas and his dad in a cave in the middle of nowhere.

12:00 We went for dinner. I had fish with beans and for dessert I had sponge cake with white icing, it was so yummy.

1:00 We came in and do French and this time we learnt about French colours. I know that

rouge is red and vert is green. We drew a picture of anything we wanted and we had to label to say the colours in French. I drew a rainbow and I got up to yellow in the rainbow.

2:15 It was playtime and I played on the swingy bars next to the slippery slidey bridge also it was pouring it down.

3:00 We went to the instrument assembly to see if we wanted to play any of the instruments. There were a clarinet, a flute and a fife then we went into class.

3:25 I did my show and tell then I had 2 questions. After we handed out the letters and bookbags and cardigans.

3:30 We went home and I did all of my business and found some paints for my pottery which was Fluttershy from my little pony because I was at Emily's house. Then my mum picked me up and I did my work and finally I went to bed and fell asleep.
