Issue 14

Friday 9th February 2018

Headteacher's Note:

WOW! Didn't year 5 do well! Their assembly was fabulous. You should all be very proud of yourselves for the hard work, effort and team work that you showed. Next half term it will be Year 3's turn to perform for us, so watch out for the date.

Thank you to all of the parents who attended Parents ' Evening this week. We hope that you found it useful and informative. It would be greatly appreciate it if you could go online and give us feedback. Please complete the questionnaire on SurveyMonkey via the link you have been sent on Parentmail.

I hope that you are enjoying reading our weekly newsletter and feel fully informed about events at school. New in this weeks issue is our quote of the week - this one was used by one of our Ofsted Inspectors!

It has been a very busy but exciting half term and I have thoroughly enjoyed my first 5 weeks here. I do hope you all have a restful week and enjoy some family time. I will look forward to seeing everybody back in school on Monday 19th February and our doors open at 8:50am.

Thank you for your continued support, Mrs LJ Stinchon

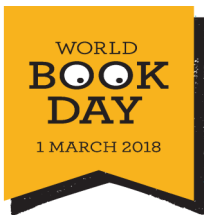

LET'S CELEBRATE!

PLEASE NOTE

After half term we will be moving our Celebration Assembly to a different day.

It will move from a Monday to a Friday so that we can finish off each week by celebrating all the great effort and successes the children have had. Then we will be able to start a new week fresh on a Monday.

However, we need to see which time will fit in best with as many parents and families as possible. Please vote for the time that could suit you best by voting on SurveyMonkey via the link on Parentmail. Vote for assembly on a Friday at either 9:05am or 2:55pm. Voting closes on Sunday 18th February.

World book day

We will be celebrating our love of reading on World Book Day - Thursday 1st March.

Children are invited to come to school on this day dressed up as a character from their favourite book or from a book they have enjoyed reading www.worldbookday.com

They must also bring the book with them in to school.

We will be having lots of reading and book related activities throughout the day.

Which character will you come dressed up as?

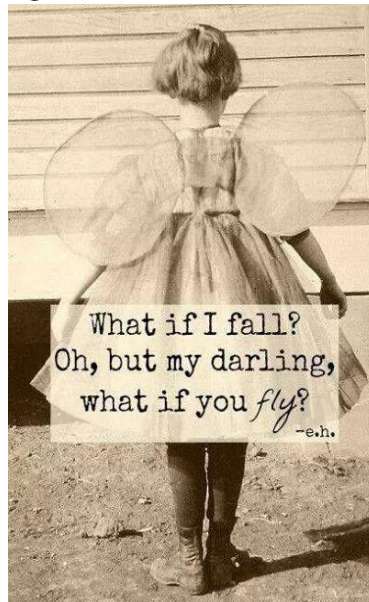

Safer Internet Day was celebrated globally on Tuesday 6th February with the slogan: *"Create, Connect and Share Respect: A better internet starts with you"*.

Please find attached to this newsletter a letter from Mr Loynds. It contains some very important information that we have discovered in school this week. We feel that it is very worrying and therefore needed to share it with you

in order to help keep the children safe on-line.

A Day in the Life of a Trawden Child - Y4

On Tuesday 6th of February we did our morning activity which was finding out how many ways we could make 36. Then for our first lesson we did guided reading and in guided reading we read Kensuke's Kingdom. We answered questions about the book. After guided reading we did maths and in maths we solved problems involving area. It was quite tricky but fun!!! Next we did English and in English we did adverts that was fun also because we got to read some other people's adverts like Alton Towers theme park, Thompsons Airline and Do you want to be a pirate? and many more.

Then we had an e-safety assembly with Mr Loynds which we had to stay in 5 extra minutes after lunch because we had to tidy up from English. After that it was lunch and yr4 sandwiches were last of course! Yr4 dinners were in second as usual. We did some e-safety work on some happy and sad thermometers then we did an online promise then got to decorated half of it. After that we did computing it was fun because we made Powerpoints. Eventually we got to do Art, YAY!!! We were making colours for our pictures. HOMETIME!!!!!!!!!!!!!!

by Layla Hudson and Imogen Birtwistle !!!

We are going cashless!
