Headteacher's Note:

I hope that you have all seen our new school Facebook page! If not please take a look, like and share all the wonderful things we do in school. I would like to thank Mr Loynds for creating the page and posting for us. Keep your eyes peeled next week!

I have been asked to pass on some important information to you from our School Governing Body - they have started the process of recruiting a permanent Headteacher for Trawden Forest Primary School and will inform you of the outcome at the end of the process.

I hope that everyone has a wonderful time at the PTA Spring Fling tonight in school. I can't wait to see the pictures!

The school Council are holding a decorated boiled egg competition on the last Friday of this term. There will be a prize for the winner and runner up in each class and a mini egg for everyone who enters! Each class will be displaying their masterpieces around their respective hall. **The children need to do them at home and bring them in on Friday 23rd March when they come in to school in the morning. They will then be judged!** Each entry must be taken home at the end of the day.

They could make theirs into Humpty Dumpty, a climber, a swimmer, an animal such as a spider or anything. They can add a background or surroundings for their egg. I can't wait to see what they create - have fun!

Y6 SATs

2018 KS2 SATs Tests for all Year 6 children will take place during the w/b 14th May. This is a very important week for our Year 6 children so please ensure that you have not arranged a holiday for this time. Mr Burnley will be providing more detail and sending out a Sat's Tips booklet after the Easter Holidays.

After Parents Evening last month we asked parents for their opinions via an on line survey :-

Thank you for your time and responses

My Child enjoys school

% Strongly agree/ agree

% Don't know

The school actively encourages children to arrive on time every day

98

My child is encouraged to work hard and try their best

92

The school communicates with me effectively about how to support my child's learning

98

We hope that you are now feeling more informed by our termly parents evenings and termly information sessions - this term it was Phonics and Sats, next term it will be Maths

87

Visitors are made to feel welcome in the school

94

I feel comfortable approaching the school about any worries or concerns my child has

98

Pupils are generally well behaved and well mannered

96

The school is taking the right action to address any poor behaviour

We are taking the assumption that the parents who voted " Don't know" have no concerns because they have not experienced an instance where poor behaviour by or to their child has had to be dealt with

60

36

The school provides a range of extra curricular activities

The after school extra curricular activities will change after Easter and enrichment activities are under review in school

87

I would recommend Trawden Forest Primary School to another family
