Headteacher's Message

Welcome back to school everyone and I hope you have all had a wonderful summer break. Unfortunately, we did not get the weather we have had this week when we were off, but I hope you enjoyed spending some quality time with your family nonetheless. It has been lovely to see all our children back in school, settled and ready to learn in their new classrooms.

May I also wish a very warm welcome to all our new EYFS children and parents, who have joined our Trawden School family. The children have been getting to know their way around school and making new friends which has been lovely to seewell done! I would also like to welcome our new members of staff, Mrs Brown, Mrs Clarkson and Miss Crocombe who have come to join our fabulous school team.

Please ensure you read the class newsletters which have lots of important information relevant to each class, including PE/Forest School days, when homework should be completed, book changes, lesson information etc.

Please don't forget that next Wednesday will be Roald Dahl's birthday and to celebrate we are inviting pupils to dress up as their favourite characters from a book or they can wear non-uniform and bring a prop/book/picture into school.

Thank you for your continued support.

Kind regards

Mrs L Stinchon

Trawden Parish Council

Trawden Forest Parish Council have decided to upgrade the playground at Lanehouse Lane, and we need your input. As the playground is relatively small and is for use by children up to 12 years of age, we are limited to what can be added and the Councillors would like to know your opinion on the suggested additions to the playground. These are: 2 x inclusive springy's for younger users; 1 x toddler climbing frame; 1 x basket swing. This is the suggested layout and other improvements.

Trawden Forest Parish Council

- The next phase of the Lanehouse Lane Playground update, is to add some new pieces of equipment, but we need your help!
- **Please, if you have the time, complete this questionnaire and return it to us, so that we can collate the results and tweak the design, if we need to (a copy is attached with this newsletter)**
- Hard copies can be collected from the library, shop and Trawden Arms and Trawden Forest Primary School.
