Cashless School

The great majority of parents who responded to our questionnaire said that they would be happy with a cashless payment system for all school transactions. Therefore, as of 1st January, the school will be moving to a cashless system. More details on how this will work will be sent out over the coming weeks. If you have a strong objection or problem with the cashless system, please visit the school office and explain your concerns.

Operation Underpants (Local Community Initiative)

Please support homeless people this Christmas by bringing the following items to the **school collection point by 10th December 2017**.

New women's underwear—adult sizes (particularly medium and large)
Women's sanitary protection
New men's underwear, (any size)
New men's socks.

PE

There are still a number of children who do not have a full PE kit in school. Please check that your child still has all they need. Please note, pumps are acceptable as an alternative to bare feet for inside PE.

Shoebox Appeal

Many thanks for your kind donations of filled shoeboxes. We had a good collection. They will be brightening someone's Christmas very shortly.
