As well as these units we want to try and incorporate French into daily routines around the school. This will increase children's fluency and vocabulary. Please ensure you use the 'Daily Routines' support sheet to enhance the use of spoken French throughout each day. There are some resources saved on the server under subject leadership MFL. In addition, you are encouraged to also do some of the following: include French in assemblies where appropriate, take part in a whole school French Day and attend the French Café, cookery or tasting sessions of traditional foods from France, fashion shows demonstrating typical / traditional clothing from the country of the language being studied, weather forecasts based on maps from France. etc
