Headteacher's Message

Welcome back to school. I hope you all had a lovely half term break. The children were straight back to it this week and I have seen some excellent work throughout the year groups. Well done everyone.

It has been a very busy week here at Trawden School with lots going on! This week our Year 2 and Year 6 children had a visit from the Lancashire Fire and Rescue Service to talk about the importance of keeping yourself safe and also how to remain safe and alert when near roads.

Mr Warrell, the History Man, came to visit our Year 5 children to help them with their topic on Anglo Saxons and Vikings. He also helped our Year 6 children, in his very unique and exciting way, to understand and learn more about their topic on World War 2.

Well done to our Year 3 children for their amazing assembly this morning. I'm sure the parents and carers, who were able to join us, would agree - they all did a "rockingly" great job!

We have been receiving lots of extreme reading photographs. WOW you have been busy! Please note that the closing date is Monday 3rd March, so if you have not already done so, get reading in extreme places and send your photo's into the office:

bursar@trawden.lancs.sch.uk

Don't forget that children need to bring in book/s to swap with each other on Tuesday and come dressed ready for a comfy reading day (pj's, onesies, blankets and cushions!) for a fee of £2.

Please look out for your child's class update newsletter along with this one, as these will have lots of important information and dates for your diary regarding your child's learning journey at school.

Please don't hesitate to contact me or the school office if you have any concerns at all, our door is always open.

Kind regards
Mrs J. Stinchon

Thank you!

THANK YOU!

- Thank you very much to Aimee Owen for kindly donating their lottery winnings back to school
REMEMBER:- *“You have to be in it to win it”*

Science Fair – 14th March

It is time again to plan our annual Key Stage Science Fairs!
The focus of our Science Fair this year will be: **'change and adapt'**
in with the official theme for British Science Week 2025
If your child/ren would like to enter our very popular Science Fair, they must complete a test, survey, or experiment that shows a connection to 'change and adapt'.

- ❑ Project Due Date:- the morning of **Friday 14th March**.
- ❑ We will be hosting 2 Science Fairs:- **KS1: 9:30am – 11:00am and KS2: 1:30pm – 3:00pm**.
- ❑ Family members are invited to come and join in with the Science Fair and view the projects.
- ❑ Results and Prizes:- All winners will be announced on Monday 24th March during a whole school assembly. There will be Science prizes for the top 3 places for each Key Stage!
- ❑ Judges:- Are you free on Friday 14th March? Do you have a keen interest in Science? Would you be able to help judge the science fair? If so, please get in contact with the school office before Friday 7th March to volunteer.

We look forward to another fun filled Science Fair in school.
For more information see the letter emailed home!

Happy experimenting!

Trawden Forest Primary School

SCIENCE FAIR!

Friday 14th March 2025
KS1: 9:30am - 11:00am & KS2: 1:30pm - 3:00pm
Theme: Change and Adapt

Science Week is a great time to think about how the world is changing and how we can adapt to those changes. What do change and adapt mean? How have you noticed the world around you changing and how have you adapted? How have animals adapted to new environments over time? Is ever-changing technology making our lives easier or are we adapting to fit it in? How have the places where we live changed? How does our immune system adapt to protect us against illnesses?

Adult Judges - Would you like to help judge our Science Fair? If so, please contact the School Office by **Friday 7th March**.
